early childhood education and care      **Handbook of Research-Based Practice in Early Education** D. Ray Reutzell, 2014-07-09 Written expressly for early childhood educators and those who support their professional development this handbook distills essential knowledge about how to help all PreK-3 learners succeed Leading experts describe doable ways to create effective learning environments and implement instructional practices with a strong evidence base Engaging vignettes illustrate discussions of such topics as differentiated instruction response to intervention the Common Core standards social and emotional learning assessment and teaching across the curriculum Each chapter links cutting edge research to practical applications examples and professional development activities      Teachers' and Families' Perspectives in Early Childhood Education and Care Sivan Phillips, Susanne Garvis, 2019-01-30 The second volume in this Early Childhood Education in the 21st Century International Teaching Family and Policy Perspectives miniseries focuses on teacher and family perspectives of early childhood education and care from 19 different countries around the world The aim of this volume is to articulate the key components of teacher education and family practices that impact young children's education and care Each country featured in this volume presents its own unique perspective in relation to the cultural and societal constraints around teacher training and or family practices and the thinking around those practices that are important for early childhood development Offering a unique insight into how teachers and families work together in different countries the book is essential reading for early childhood educators researchers early childhood organisations policy makers and those interested to know more about early childhood within an international perspective      Ecological Perspectives in Early Language Education Mila Schwartz, 2024-02-27 This book presents ecological perspectives towards early language education that conceptualise the phenomenon of interactions between child language based agency teachers agency peers agency and parents agency consequently furthering insights into the lives of young children growing up in multilingual homes Drawing on rich empirical research evidence the book explores teachers and family strategies and practices aimed at enhancing children's interest in home language maintenance and enrichment as well as in the novel language learning It defines early language education as the education of children up to the age of 6 and considers international evidence of children's language from diverse sociolinguistic backgrounds and indigenous endangered heritage regional minority majority and marginalized languages as well as foreign and second languages in education at home and out of home settings It claims that only through collaboration between teachers families peers and close environment can the child be engaged in early language learning and fully experience his or her potential to act as agent in a novel language learning The book will be of great interest to researchers academics and postgraduate students in the fields of language education multilingualism applied linguistics and early childhood education Practitioners in these fields may also find the volume a valuable resource      **Prekindergarten Learning & Development Guidelines** Janet Lundin, 2000 Recognizing the importance of providing high quality preschool education for helping to ensure children's future educational success this

document presents guidelines for what constitutes high quality programming across a broad spectrum of curriculum and practice for California preschools taking into account the state's move toward higher expectations for all students. The document is presented in three parts. Part 1 reviews the background and context of early childhood education with a particular focus on recent developments in the field in California. Part 2 consists of guidelines for all the major areas of a high quality preschool program with the themes of special needs, cultural diversity, parent and family involvement, assessment and professional development woven throughout the document. Part 3 presents a variety of resources for program implementation and improvement. Guidelines, examples and vignettes in the document offer directions on the best practices for school professionals drawing on research, the collective professional experience of an expert panel and on visits to the sites of exemplary programs throughout California and other states. Nine appendices include guideline summaries, a continuum of teaching behaviors and special needs legislation and services. KB
