Language Files Anouschka Bergmann, Kathleen Currie Hall, Sharon Miriam Ross, 2007 *The Study of Language* George Yule, 2010-03-04 This best selling textbook provides an engaging and user friendly introduction to the study of language Assuming no prior knowledge in the subject Yule presents information in short bite sized sections introducing the major concepts in language study from how children learn language to why men and women speak differently through all the key elements of language This fourth edition has been revised and updated with twenty new sections covering new accounts of language origins the key properties of language text messaging kinship terms and more than twenty new word etymologies To increase student engagement with the text Yule has also included more than fifty new tasks including thirty involving data analysis enabling students to apply what they have learned The online study guide offers students further resources when working on the tasks while encouraging lively and proactive learning This is the most fundamental and easy to use introduction to the study of language *Understanding Language* Elizabeth Grace Winkler, 2015-07-09 Understanding Language is the second edition of this introduction to linguistics aimed at all students who are new to the subject The book is comprehensive in its coverage of the key areas of linguistics yet explains these in an easy to understand jargon free way Pictures diagrams tables and suggestions for further reading together with Grace Winkler's witty prose make this an accessible student friendly guide which should enable students to navigate this often complicated area of study Topics covered include language acquisition speech sounds the make up of words grammar meaning communication the history of English language variation and change language and technology This is an essential introduction for any student taking linguistics at university whether as their main subject of study or in conjunction with related fields **Language Matters** Donna Jo Napoli, Vera Lee-Schoenfeld, 2010-07-08 Is Ebonics really a dialect or simply bad English Do women and men speak differently Will computers ever really learn human language Does offensive language harm children These are only a few of the issues surrounding language that crop up every day Most of us have very definite opinions on these questions one way or another Yet as linguists Donna Jo Napoli and Vera Lee Schoenfeld point out in this short and thoroughly readable volume many of our most deeply held ideas about the nature of language and its role in our lives are either misconceived or influenced by myths and stereotypes Language Matters provides a highly informative tour of the world of language examining these and other vexing and controversial language related questions Throughout Napoli and Lee Schoenfeld encourage and lead the reader to use common sense and everyday experience rather than preconceived notions or technical linguistic expertise Both their questions and their conclusions are surprising sometimes provocative and always entertaining This thoroughly revised second edition updates the book with a new co author and includes new chapters on language and power language extinction and what it is linguists actually do Language Matters is sure to engage both general readers and students of language and linguistics at any level *Understanding Language 2e* Elizabeth Winkler, 2012-01-26

Introduction to English Linguistics Markus Bieswanger, Annette Becker, 2017-02-13 Neuauflage der praxisorientierten Einführung in die englische Sprachwissenschaft Der Band eignet sich hervorragend als Grundlage für Einführungskurse sowie zu Selbststudium und zur Prüfungsvorbereitung Er besticht durch leicht verständliche Erklärungen zahlreiche Beispiele Abbildungen und Übungen mit Lösungen Für die vierte Auflage wurden der Text die Aufgaben und die Literaturhinweise bearbeitet und aktualisiert Der Band aus der Reihe *utb basics* ist ideale Einführungslektüre für alle Studierenden der englischen Sprachwissenschaft

Emperor Zhu Yuanzhang's Eulogy of the Prophet Muhammad Abdul Karim Bangura, 2022-09-06 This book is about the Hundred Word Eulogy a 100 character praise of Islam and Prophet Muhammad written by Zhu Yuanzhang who reigned as the Hongwu Emperor of China from 1368 to 1398 The analysis of the eulogy is augmented with relevant Islamic texts The book has become quite revered by many Muslim individuals and organizations across the globe Yet no work exists that has systematically analyzed the text The purpose of this book then is to fill this vacuum Methods from the fields of history literary analysis and pragmatic linguistics are employed to provide multidisciplinary and comprehensive analyses of the text undergirded by the notion of meaning

Questions Veneeta Dayal, 2016-11-03 This book synthesizes and integrates 40 years of research on the semantics of questions and its interface with pragmatics and syntax conducted within the formal semantics tradition A wide range of topics are covered including weak strong exhaustiveness maximality functional answers single multiple trapped list answers embedding predicates quantificational variability concealed questions weak islands polar and alternative questions negative polarity and non canonical questions The literature on this rich set of topics theoretically diverse and scattered across multiple venues is often hard to assimilate Veneeta Dayal drawing on her own research brings them together for the first time in a coherent concise and well structured whole Each chapter begins with a non technical introduction to the issues discussed semantically sophisticated accounts are then presented incrementally with the major points summarized at the end of each section Written in an accessible style this book provides both a guide to one of the most vibrant areas of research in natural language and an account of how this area of study is developing It will be a unique resource for the novice and expert alike and seeks to appeal to a variety of readers without compromising depth and breadth of coverage

Assessment in the Second Language Writing Classroom Deborah Crusan, 2010-07 Assessment in the Second Language Writing Classroom is a teacher and prospective teacher friendly book uncomplicated by the language of statistics The book is for those who teach and assess second language writing in several different contexts the IEP the developmental writing classroom and the sheltered composition classroom In addition teachers who experience a mixed population or teach cross cultural composition will find the book a valuable resource Other books have thoroughly covered the theoretical aspects of writing assessment but none have focused as heavily as this book does on pragmatic classroom aspects of writing assessment Further no book to date has included an in depth examination of the machine scoring of writing and its effects on second language writers

Crusan not only makes a compelling case for becoming knowledgeable about L2 writing assessment but offers the means to do so Her highly accessible thought provoking presentation of the conceptual and practical dimensions of writing assessment both for the classroom and on a larger scale promises to engage readers who have previously found the technical detail of other works on assessment off putting as well as those who have had no previous exposure to the study of assessment at all
