

## **Betrayal In The City, Analysis**

### **Setting**

Setting refers to the description of where and when the story takes place. There are several aspects that make up the setting. The geography, weather, time of day, and social conditions. What role does setting play in the story? Is it an important part of the plot or theme? Or is it just a backdrop against which the action takes place?

Study the time period which is also part of the setting When was the story written? Does it take place in the present, the past, or the future? How does the time period affect the language, atmosphere or social circumstances of the novel?

The play Betrayal in the City is set in a fictional African country name Kafira in the post independence era. During this period, Africans end up disappointed when the African leaders they had hoped to bring change become perpetrators of corruption, dictatorship, nepotism and assassinations.

### **Characterization**

Characterization deals with how the characters are described. Is it through dialogue? Or by the way they speak? Physical appearance? thoughts and feelings? interaction – the way they act towards other characters? Are they static characters who do not change? Do they develop by the end of the story? What type of characters are they? What qualities stand out? Are they stereotypes? Are the characters believable?

### **JUSPER**

Jusper is the son of Nina and Doga, a university student, brother to the Late Adika and the boyfriend to Regina. He is also the playwright to the play that brings down Boss's regime. Character traits:

#### Fearless/violent/honest/vengeful

He kills Chagaga and Mulili. After killing Chagaga he easily confesses to the crime leading to his beating by an angry mob. He is very violent that his reaction leads to the murder of Chagaga. We can conclude that killed both Mulili and Chagaga to revenge the death of his family. Jusper, after killing Mulili, he says that he did it for Kafira. He also hands back the remaining change to Tumbo when he had brought the drinks.

#### Clever/witty/conniving/conspiratorial

He easily accepts the role of writing a play to be performed to the visiting head of state. He notices the weakness in Tumbo and manipulates the play to his liking. Using Mosese and Jere, the trio plans to oust Boss out of power. The scheme works perfectly and they manage to hold Boss hostage. Similarly, he pretends to be so damaged that the police let him free, in so doing, he has perfect political ground to spread radical ideas despite being a homicide suspect.

#### Simple/ideological/independent-minded

He refuses to take Tumbo's jaguar and opts to walk when he is sent for drinks. In so doing, he shows that he is independent minded and accepts no favours to luxury but will work hard to get the luxury he so desires.

#### Creative/satirical

He says that his works are not for Kafira because he exposes the truth to light that's why publishers are not too willing to accept them for publication. He also accepts to draft the play to be used in the

The Columbia Guide to East African Literature in English Since 1945 Simon Gikandi, Evan Mwangi, 2007-04-24 The Columbia Guide to East African Literature in English Since 1945 challenges the conventional belief that the English language literary traditions of East Africa are restricted to the former British colonies of Kenya Uganda and Tanzania Instead these traditions stretch far into such neighboring countries as Somalia and Ethiopia Simon Gikandi and Evan Mwangi assemble a truly inclusive list of major writers and trends They begin with a chronology of key historical events and an overview of the emergence and transformation of literary culture in the region Then they provide an alphabetical list of major writers and brief descriptions of their concerns and achievements Some of the writers discussed include the Kenyan novelists Grace Ogot and Ngugi wa Thiong o Ugandan poet and essayist Taban Lo Liyong Ethiopian playwright and poet Tsegaye Gabre Medhin Tanzanian novelist and diplomat Peter Palangyo Ethiopian novelist Berhane Mariam Sahle Sellassie and the novelist M G Vassanji who portrays the Indian diaspora in Africa Europe and North America Separate entries within this list describe thematic concerns such as colonialism decolonization the black aesthetic and the language question the growth of genres like autobiography and popular literature important movements like cultural nationalism and feminism and the impact of major forces such as AIDS HIV Christian missions and urbanization Comprehensive and richly detailed this guide offers a fresh perspective on the role of East Africa in the development of African and world literature in English and a new understanding of the historical cultural and geopolitical boundaries of the region *Postcolonial African Writers* Siga Fatima Jagne, Pushpa Naidu Parekh, 2012-11-12 This reference book surveys the richness of postcolonial African literature The volume begins with an introductory essay on postcolonial criticism and African writing then presents alphabetically arranged profiles of some 60

writers including Chinua Achebe Nadine Gordimer Bessie Head Doris Lessing Tsitsi Dangarembga Tahbar Ben Jelloun among others Each entry includes a brief biography a discussion of major works and themes that appear in the author s writings an overview of the critical response to the author s work and a bibliography of primary and secondary sources These profiles are written by expert contributors and reflect many different perspectives The volume concludes with a selected general bibliography of the most important critical works on postcolonial African literature

**Student Encyclopedia of African Literature** Douglas Killam,Alicia L. Kerfoot,2007-12-30 African literature is a vast subject of growing output and interest Written especially for students this book selectively surveys the topic in a clear and accessible way Included are roughly 600 alphabetically arranged entries on writers genres and major works Many entries cite works for further reading and the volume closes with a selected general bibliography Africa is a land of contrasts and of diverse cultures and traditions It is also a land of conflict and creativity The literature of the continent draws upon a fascinating body of oral traditions and lore and also reflects the political turmoil of the modern world With the increased interest in cultural diversity and the growing centrality of Africa in world politics African literature is figuring more and more prominently in the curriculum This book helps students learn about the African literary achievement Written expressly for students this book is far more accessible than other reference works on the subject Included are nearly 600 alphabetically arranged entries on authors such as Chinua Achebe Athol Fugard Buchi Emecheta Nadine Gordimer and Wole Soyinka major works such as *Things Fall Apart* and *Petals of Blood* and individual genres such as the novel drama and poetry Many entries cite works for further reading and the volume closes with a selected general bibliography

*The Bulldozer and the Word* Raoul Granqvist,2004 This book examines the operating of cultural work in postcolonial Nairobi from the view that it drives modernity survival and processes of empowerment It depicts a city of global and spatial aspirations divided by a past that transcends its present It is a neo colonial and acquisitive city Western cultural institutions dominate the marketplace An associative aspect is the gendered city space streets bars pubs which is overwhelmingly masculine The book demonstrates that women s marginalisation impacts variously on the city s texts its fiction theatre and the iconography of the Matatu vehicle The major theme of the book is the struggle for cultural recognition and authority Strategies of social and political accommodation coalesce both creatively and antagonistically in this formulation of Kenyan self identification

**The Meaning of the City** Jacques Ellul,2011-06-17 Jacques Ellul a former member of a Law Faculty at the University of Bordeaux was recognized as a brilliant and penetrating commentator on the relationship between theology and sociology In the *Meaning of the City* he presents what he finds in the Bible a sophisticated coherent theology of the city fully applicable to today s urbanized society Ellul believes that the city symbolizes the supreme work of man and as such represents man s ultimate rejection of God Therefore it is the city where lies man s rebellious heart that must be reformed The author stresses the fact that the Bible does not find man s fulfillment in a return to an idyllic Eden but points rather to a life of communion with the Savior in the city

transfigured The Meaning of the City says John Wilkinson in his introductory essay to the book is the theological counterpoint to Ellul's Technological Society a work that analyzed the phenomenon of the autonomous and totally manipulative post industrial world Ellul takes issue with those who idealistically plan new urban environments for man as though man alone can negate the inherent diabolism of the city For Ellul the history of the city from the times of Cain and Nimrod through to Babylon and Jerusalem reveals a tendency to destroy the human being for the sake of human works Nevertheless continuing the theme of the tension between two realities that characterizes all his works Ellul sees God as electing the city as itself an instrument of grace for the believer William Stringfellow describes The Meaning of the City as a book of startling significance which should rank beside Reinhold Niebuhr's Moral Man and Immoral Society as a work of truly momentous potential Douglass D McFerran adds that it is a book worth serious consideration by anyone interested in the relationship between religious commitment and secular involvement And John Wilkinson sums it up There are very few convincingly religious analyses of the sociological phenomena of the present day Ellul's biblically based sociology is today furnishing the matter for a large and growing group of social protestants particularly in the United States

Before There Were Kings Elie Assis,2023-11-07 Following the great periods of national leadership by Moses and Joshua the book of Judges depicts the stewardship of various judges that rose to power to solve local religious and military challenges in the premonarchic period This volume provides a close reading of the entire book of Judges taking seriously the distinct elements of the book and how they are interconnected Elie Assis explores the ways in which the ideology and theology of Judges unfold through a careful literary analysis Moving beyond the cycle of sin punishment and salvation Assis demonstrates how differences in the descriptive language applied to each judge as well as the evaluations in the opening and concluding chapters provide clues as to the organization and message of the text Most works on Judges focus on the historical background of the period or the historical process of the book s composition and seek to dissolve its stories into

component parts In contrast Before There Were Kings points to the deep underlying unity of Judges and the function of the individual stories within the whole New and carefully drawn insights related to the purpose of each section and the themes that shape the book as a whole make this a groundbreaking programmatic contribution to research on the book of Judges It will be of particular interest to students and scholars of the Old Testament and the Hebrew Bible     **The Literary Digest International Book Review** Clifford Smyth,1925     Literary Digest International Book Review Clifford Smyth,1926

**Tuff City** Nick Dines,2012-02-01 During the 1990s Naples left wing administration sought to tackle the city s infamous reputation of being poor crime ridden chaotic and dirty by reclaiming the city s cultural and architectural heritage This book examines the conflicts surrounding the reimaging and reordering of the city s historic centre through detailed case studies of two piazzas and a centro sociale focusing on a series of issues that include heritage decorum security pedestrianization tourism immigration and new forms of urban protest This monograph is the first in depth study of the complex transformations of one of Europe s most fascinating and misunderstood cities It represents a new critical approach to the questions of public space citizenship and urban regeneration as well as a broader methodological critique of how we write about contemporary cities     **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1910
