Interview Questions with Answer Deepa Kalangi, 2017-12-08 The primary goal of this book is to help aspiring testers, QA analysts, and leads to be able to successfully pass the interview and secure a QA job. As a refresher, the basics of testing are added before we get to the Interview Questions on both manual and automation areas. What will you get from this book? 135 Interview questions with answers, manual and automation, 100 most popular Interview Questions on QA Testing area which includes manual testing, SQL database testing, scenario based questions, personality interview questions. Each question has a guideline and a response category. Guideline gives you the pre-preparation needed that aids in your line of thinking prior to giving an actual response to the question. 35 Automation Interview Questions on Selenium and HP QTP UFT Basic level. There are some myths to enter QA field. Those myths prevent many to enter and try the field out. Those are all busted for you in this book. What differentiates this content from other similar books? The author of this book is 17 years experienced in the Industry that has held positions in QA field serving many diverse companies and projects because of the nature of the contract jobs. The diverse knowledge is immensely helpful in giving a guidance and the best response to each question. She has also interviewed QA analysts in her jobs so she knows how the best answers are thought of and would help the hiring manager prefer one over the other. Other books may have great responses but they may not be able to guide you to think straight. Interviews are not something to memorize or duplicate; they reveal your subject matter expertise and your personality. There is not one standard response to every question but there is a great standard thinking in the way the question is understood and analyzed. This book helps you reflect on those areas and acts as a guide for all your interviews. 500 Manual Testing Interview Questions and Answers Vamsee Puligadda, Get that job you aspire for.
