Hand of God Jason Krumbine,2019-05-29 On the edge of UPA space a mysterious vessel has appeared No one knows where it came from It has no callsign or identifying marks The vessel simply transmits a standard S O S in a signal that hasn't been used in hundreds of years Morse code While still recovering from their losses on Carlock the USS Defiance is dispatched to investigate But when they arrive they discover that every single individual on the ship has already been dead for hundreds of years As Captain Mitchell and his crew work to unravel the mystery of this ghost ship they soon find themselves confronted by something far worse than a simple space mystery What killed this crew so long ago is still very much onboard and still is very much alive

The Price of Paradise Jason Krumbine,2020-01-31 When Nax left his home planet he had no intention of ever returning and he certainly didn't anticipate being dragged back to face charges of High Treason Under Natuzzi law the charge of High Treason carries only one possible punishment Death While the Natuzzi are considered a valued member of the United Planetary Alliance they are also considered to be notoriously xenophobic They prefer to keep non Natuzzis off their planet and out of their affairs Under the guise of maintaining diplomatic relations Nax is abandoned by the UPA Fleet Admiralty As far as they are concerned if Nax has broken Natuzzi law then the Natuzzi can have their pound of flesh and any attempt made to interfere with the Natuzzi legal process would be considered an act of war Captain Gavin Mitchell however doesn't see it that way He'll do whatever it takes to protect a member of his crew Even if it means starting a war that no one will win

The Test of Truth Jason Krumbine,2019-11-02 A hundred years ago the Veneer Empire was one of the strongest members of the UPA And then the Unity attacked In the devastating aftermath the Veneer Empire withdrew from the UPA and hasn't been heard from since Ambassador Caldwell Reynoso is the latest in a long line of dignitaries who spend their days waiting until the Veneer are ready to communicate again While it is not a lifetime appointment Ambassador Reynoso will not hold any other position before his untimely death When an ambassador dies the political ramifications can be complicated When an ambassador is murdered the ramifications can be disastrous As the mystery of who murdered Ambassador Reynoso slowly unravels Captain Mitchell and the crew of the Defiance find themselves sitting on a powder keg of galactic proportions And unless they can stop it when it goes off it's going to take half the galaxy with it

Act of God Jason Krumbine,2019-07-10 In this explosive follow up to the Hand of God the crew of the USS Defiance find themselves on the edge of UPA space cut off from any assistance floating helplessly among the stars Across the ship systems are failing Repairs could take days maybe even weeks but with limited life support the crew only has hours While the ship threatens to come apart around them Lt Commander Nax is slowly going mad haunted by the ghost of his dead lover Tactical Officer Cayden Keane lies in critical condition barely clinging to life after suffering at the hands of the Unity Trapped in what appears to be a no win scenario the crew of the Defiance turns to their captain Except Captain Gavin Mitchell is missing He's not on the ship He's not in their sector Gavin Mitchell isn't even in their universe anymore

Dating the Villain Jason Krumbine, 2017-11-09 Adopted at age 4 Rose Gardens doesn't know much about her life before her parents brought her to America. She has vague memories of her time in the small orphanage in the Hunan Province of China. But none of these memories offer any explanation as to how she can fly and bend steel pipes with her bare hands. Naturally that didn't stop Rose from becoming a superhero. Life is as close to perfect as Rose could imagine. She has the greatest parents, the perfect boyfriend, and her career as Star Girl has been fairly impressive. With true love in her grasp, marriage may even be on the horizon for Rose and her boyfriend. But when a new villain tears into Century City, Rose finds her heart unexpectedly torn between the good man she knows she loves and the bad boy she finds herself irresistibly

attracted to *A is for Amnesia, B is for Bullet* Jason Krumbine, 2017-10-25 **Welcome to Crazytown** Jason Krumbine, 2017-10-25 Alex has had a string of bad luck lately culminating in the absolute destruction of his home and office by his sanity-challenged ex-partner Devon Christian. Fortunately, things are starting to look up now that Jonathon Bragan, the most powerful mobster in Clayton City, has taken Alex under his wing. Wait, what? There's no such thing as a free handout from a power-hungry mob boss. But before Alex can untangle the multitude of strings that are attached to Bragan's offer, there's the matter of Devon Christian. After all, Devon didn't blow back into town just to blow up Alex's life. No, this time Devon's got his sights set on blowing up the whole world. **Dating the Hero** Jason Krumbine, 2017-11-09

In the wake of Manifold's attack, Rose Gardens aka Star Girl is desperate to get her life back to normal. That means spending time with her wonderful boyfriend Ben Royal attending classes at Century City University and occasionally saving the day. But what Rose wants is drastically different from what she gets. Soon Star Girl finds herself in the crosshairs of an upstart super villain wannabe who's on a devastating rampage through Century City. Before Star Girl even has a chance to fight back, she finds herself swept up in a mystery involving one of her teammates that could have disastrous implications for her secret identity. Once again, Rose finds herself torn between two men: her boyfriend, the man she loves, and her teammate, the man whose secret could sweep her off her feet or destroy her life completely. **Better Than Dead** Jason Krumbine,

The citizens of Clayton City have a problem. From beneath their beds, from deep in the corners of their darkest closets, things are stirring. Monstrous things. In the twin cities of Clayton and Callahan, Alex Cheradon and Devon Christian are two somewhat famous-ish private investigators. They've saved the twin cities a couple of times, stopped a werewolf apocalypse or two, and are the best of friends despite that short period of time when Devon went crazy and tried to kill Alex. But it's all water under the proverbial bridge now. Times are tough, and cheating spouses and missing kids don't always pay the bills. Of course, thanks to a mysterious mystical gem embedded in his chest, Devon can go weeks, sometimes even months, without eating. Unfortunately for Alex, though, all he has is a sharp wit and an awesome collection of hilariously ironic T-Rex t-shirts, neither of which do much to satisfy the grumbling in his stomach. When Judy Brathweight darkens their doorstep with concerns about what's making some creepily hungry noises under her child's bed, Alex and Devon are in no position to turn her away. Monster hunting may

not be their specialty but at least it'll put food on the table Unless of course Alex and Devon end up as food on someone else's table first *Fruitbasket from Hell (Alex Cheradon #1. 1)* Jason Krumbine, 2015-01-14 Steven Raines you know the man who made billions making an operating system that out Microsoft ed Microsoft has hired Alex Cheradon private investigator to look for his missing daughter Good news it's a million dollar payday Bad news she may be a Satanist hell bent on bringing the Devil to Earth The dead bodies are piling up Vampires are crawling out of the woodwork And there's something named Pookie that's lurking around the corner Breathtakingly paced the jokes and wisecracks fly fast as Alex races against the clock to save the day This is Book 1 in the Alex Cheradon Series **The Devil in the Daffodil Dress** Jason Krumbine, Devon Christian is a man of many secrets some of them so secret even he doesn't know them and apparently one of those secrets is his wife When a sexy lady with a devil may care attitude by the name of Daisy Christian shows up on their doorstep claiming to be Devon's long lost wife Alex and Devon are immediately suspicious Not only does Daisy appear to be almost twice as crazy as Devon but at the same time Alex and Devon find themselves under attack by a mysterious assailant who's very determined to see them pushing up daisies The timing as they say is a mite suspicious Under a hail of bullets and explosions Alex and Devon must find out who's eager for them to join the choir invisible and unravel the mystery of whether or not Daisy is in fact Devon's true love or just another femme fatale out to help these two investigators get better at taking dirt naps But more importantly if she really is Devon's old ball and chain then where has she been all this time **One Stiletto in the Grave** Jason Krumbine, When you have a bug problem you call an exterminator When someone skips out on their bail you call a bounty hunter And when a dead soul goes renegade you call a grim reaper Avery Graves is your typical type A personality who strives to achieve her best Her sister Brooke is not that Despite Avery's best efforts things aren't working out as well for them as they are for the other reapers in town and the sisters find themselves a few dead souls short of making the rent While chasing down a soul bounty that might get them out of their pauper's grave and into a mausoleum things take a turn for the worse when the sisters find themselves at odds with the worst thing possible The living Because the only thing worse than a dead soul that refuses to move on is a living soul that refuses to let go *The Last Breath of a Dying Tomorrow* Jason Krumbine, 2023-11-02 The Veneer Empire is collapsing A hundred years ago the Veneer Empire seceded from the UPA and entered into a secret alliance with the Unity Today the seeds of the empire's collapse have taken root and are blossoming into a chaotic darkness that threatens to destabilize the entire region The Veneer home world has suddenly gone silent An entire planet with billions of inhabitants and there is nothing but silence Without the guidance and leadership from the home world the structure of the empire is crumbling Supply chains are failing Criminal elements are running wild The entire sector is up for grabs and anyone who can make a power play is making it In an effort to stabilize the region the UPA has dispatched an envoy headed up by the Defiance Their mission is humanitarian They're to offer aid and begin the process of reestablishing communication between the Alliance and the Veneer Empire But before long that mission turns to

survival for the crew of the Defiance Survival against the darkness from without and from within **Death Wears Stilettos** Jason Krumbine, There are two sets of laws in this world The Law of the Living and the Law of the Dead And if the Graves Sisters aren't careful they're going to end up breaking both of them After Brooke's boyfriend ends up in a coma after a brutal beating from local gangster Dicky Ramburg Brooke finds herself on the hook for finding a centuries old Reaper talisman and delivering it to Ramburg If she doesn't deliver Dicky's promised that the next person to getting a beating will be her and this time he won't stop until she's dead Before Brooke and Avery have any time to even process what's happened things go from bad to worse Something is amiss at Saint Mercy's At first it's thought to be just an accident a tired overworked doctor simply wasn't paying attention But then it happens again And again And again Avery and Brooke find themselves trapped in every grim reaper's nightmare The dead in Saint Mercy's aren't staying dead **Everything's Coming Up Aces** Jason Krumbine, 2017-10-25 Everything is funny as long as it is happening to somebody else Will Rogers Peter Perkins was born and raised in Las Vegas He's a jaded local through and through So nobody's more surprised than him when a sleazy street magician cons him out of a priceless family heirloom So Peter Perkins does the only thing he can think of He gets help From Alex Cheradon Wait a minute Alex Cheradon What's he doing in Vegas **One Tomb Short of a Graveyard** Jason Krumbine, 2017-10-25 The Messer Building is located in the heart of downtown Callahan It's a building of architectural wonder It's visible from almost anywhere in the downtown area And it's home to the Darketo Sanction a top secret organization that's housing the largest collection of mad scientists anywhere in the country Two weeks ago the security system in the Messer Building tried to kill every single human onsite and nobody knows why Since the geniuses in the Darketo Sanction can't figure it out they've decided to outsource the mystery to Alex Cheradon Although to be fair it's a building filled with a bunch of mad scientists This one shouldn't be too hard to figure out right Right Meanwhile Devon Christian is on the edge of sanity The voices in his head get louder every day At some point he's not going to be able to ignore those voices forever And when he stops there's only one person at the top of his hit list **The Man Who Murdered Tomorrow** Jason Krumbine, 2017-10-26 They say flying is the safest way to travel Clearly whoever said that has never traveled with a mad scientist in custody After finding and apprehending his absentee father Alex Cheradon and his team are ready for their flight back home to Clayton City One six hour nonstop flight from Las Vegas and then everything's back to normal Except that this isn't an ordinary flight And Charles Cheradon isn't an ordinary scientist Hence the mad label And Devon Christian Well obviously he's not normal That just goes without saying And Alex Cheradon has an excellent track record for being in the wrong place at the wrong time for the wrong reasons This flight isn't going to be any different Trapped on a flight that feels like it's going nowhere Alex finds himself worrying about his crazy partner having to go head to head with a terrorist and worst of all dealing with a deadbeat dad who just wants to have a heart to heart with his son
