Sankey, 2006 The only Master Guide to online public record searching The sixth edition details nearly 10 000 sites both government agencies and private sources This new edition is completely revised and updated **Taser Electronic Control Devices and Sudden In-custody Death** Howard E. Williams, 2008 After reviewing the available evidence from this extensive case study the author concludes that these conducted energy weapons are excluded as the cause of death in 182 of the 212 cases In only two cases did the evidence tend to confirm the weapon was either a cause of death or a significant contributing factor While arguing that the TASER electronic control devices are safe less lethal weapons the author also cautions that they are not completely effective **1976 Directory of Automated Criminal Justice Information Systems**, 1976 Targeted David Gideon, 2013 This is a true story of a pathological serial workplace bully and is written by a proud survivor Names have been changed to protect the innocent It is a horrific tale of terror manifested by a malevolent mind bent on selfish ambition It is a story of how the monster worked his way into the victim s confidence learned his strengths and weaknesses and even boasted to him what he was going to do before implementing his evil plan It is a legend of how kindness and compassion are crushed by the sinister whispering campaign and how the bosses and managers were too terrified to act for fear of retaliation upon themselves It is textbook psychological torture and it s a miracle that anyone could survive it But it is also a book of hope what you need to do and of how to seek out help if you are confronted by such a bully This is a book of reasoning and forgiveness It is also to let us know that we are not alone Such monsters do exist and this is how to recognize them and thwart their insidious plots *The Sourcebook to Public Record Information* Peter Julius Weber, Michael L. Sankey, 2004-10 Stop Searching Start Finding Professionals frustrated with searching for public records can now get accurate and current information on how to obtain records directly from the government The revised and updated 5th edition of The Sourcebook to Public Record Information profiles in detail over 20 000 government agencies that house public records More than a directory the agency profiles found in The Sourcebook include access procedures access restrictions fees online capabilities turnaround times along with addresses phone fax numbers and additional information Comprehensive Coverage The Sourcebook contains an informative Public Record Primer and the industry s most comprehensive and current and profiles of County Courts County Recording Offices State Agencies Federal Courts plus a place name ZIP Code county cross index to locate the correct county location Also includes state county maps This extensive

Command and Control Eric Schlosser,2014-08-26 The Oscar shortlisted documentary Command and Control directed by Robert Kenner finds its origins in Eric Schlosser s book and continues to explore the little known history of the management and safety concerns of America s nuclear arsenal A devastatingly lucid and detailed new history of nuclear weapons in the U S Fascinating Lev Grossman TIME Magazine Perilous and gripping Schlosser skillfully weaves together an engrossing account of both the science and the politics of nuclear weapons safety San Francisco Chronicle A myth shattering expos of America s nuclear weapons Famed investigative journalist Eric Schlosser digs deep to uncover secrets about the management of America s nuclear arsenal A groundbreaking account of accidents near misses extraordinary heroism and technological breakthroughs Command and Control explores the dilemma that has existed since the dawn of the nuclear age How do you deploy weapons of mass destruction without being destroyed by them That question has never been resolved and Schlosser reveals how the combination of human fallibility and technological complexity still poses a grave risk to mankind While the harms of global warming increasingly dominate the news the equally dangerous yet more immediate threat of nuclear weapons has been largely forgotten Written with the vibrancy of a first rate thriller Command and Control interweaves the minute by minute story of an accident at a nuclear missile silo in rural Arkansas with a historical narrative that spans more than fifty years It depicts the urgent effort by American scientists policy makers and military officers to ensure that nuclear weapons can t be stolen sabotaged used without permission or detonated inadvertently Schlosser also looks at the Cold War from a new perspective offering history from the ground up telling the stories of bomber pilots missile commanders maintenance crews and other ordinary servicemen who risked their lives to avert a nuclear holocaust At the heart of the book lies the struggle amid the rolling hills and small farms of Damascus Arkansas to prevent the explosion of a ballistic missile carrying the most powerful nuclear warhead ever built by the United States Drawing on recently declassified documents and interviews with people who designed and routinely handled nuclear weapons Command and Control takes readers into a terrifying but fascinating world that until now has been largely hidden from view Through the details of a single accident Schlosser illustrates how an unlikely event can become unavoidable how small risks can have terrible

consequences and how the most brilliant minds in the nation can only provide us with an illusion of control Audacious gripping and unforgettable Command and Control is a tour de force of investigative journalism an eye opening look at the dangers of America s nuclear age Lumber Manufacturer and Dealer ,1911
