Books Ireland , 2006 International encyclopedia of adolescence Jeffrey Jensen

Arnett,2007 Publisher description **Child Neglect** Jan Horwath,2013-04-30 Neglect is the most common form of child maltreatment in developed countries and it comes in many forms From evaluating the effects of neglect on the child to looking at root causes this wide ranging book offers evidence based practical guidance to support all practitioners in their work with neglected children In particular It assesses a range of methods of intervention and how these best apply to the various needs of different families It explores the tensions and dilemmas that practitioners can face when working with neglected children It demonstrates ways that practitioners can work together to promote better outcomes for the child It provides frameworks and prompts such as engaging case studies and reflective questions that can assist practitioners in their work Written by a leading authority on child neglect this book is essential for all students taking courses in child welfare and will also prove an invaluable handbook for practitioners working with families where there are signs of child neglect **The Culture of Homelessness** Megan Ravenhill,2016-03-16 Despite an extensive literature on homelessness there is surprisingly little work that investigates the roots of homelessness by tracking homeless people over time In this fascinating and much needed ethnographic study Megan Ravenhill presents the results of ten years research on the streets and in the hostels and day centres of the UK incorporating intensive interviews with 150 homeless and formerly homeless people as well as policy makers and professionals working with homeless people Ravenhill discusses the biographical structural and behavioural factors that lead to homelessness Amongst the important and unique features of the study are the use of life route maps showing the circumstances and decisions that lead to homelessness a systematic study of the timescales involved and a survey of people s exit routes from homelessness Ravenhill also identifies factors that predict those most vulnerable to homelessness and factors that prevent or considerably delay the onset of homelessness **Housing Shock** Rory Hearne,2020-06-03 The unprecedented housing and homelessness crisis in Ireland is having profound impacts on Generation Rent the wellbeing of children worsening wider inequality and threatening the economy Hearne contextualises the Irish housing crisis within the broader global housing situation by examining the origins of the crisis in terms of austerity marketisation and the new era of financialisation where global investors are making housing unaffordable and turning it into an asset for the wealthy He brings to the fore the perspectives of those most affected new housing activists and protesters whilst providing innovative global solutions for a new vision for affordable sustainable homes for all **Homeless** Gerald Daly,2013-04-15 The causes of homelessness are disputed by both Right and Left But few would argue that life on the streets is anything other than dangerous and debilitating Unemployment deinstitutionalisation abuse in the home are among the stories the homeless tell Voluntary organisations point to the failure of emergency shelters and food banks the cut backs in social programmes and the severe shortage of affordable housing On the international scale the changing global system has placed new demands on the economies of Europe and north America which have impacted on resources employment and even political will This book is the first comprehensive international study of homelessness The author argues that the

category of the homeless must itself be broadened to encompass those chronically without shelter to those in immediate risk of dispossession if homelessness is to be tackled effectively before and after it happens by public policy voluntary organisations and the individuals themselves *Reframing Irish Youth in the Sixties* Carole Holohan, 2018-03-28 *Reframing Irish Youth in the Sixties* focuses on the position of youth in the Republic of Ireland at a time when the meaning of youth was changing internationally It argues that the reformulation of youth as a social category was a key element of social change While emigration was the key youth issue of the 1950s in this period young people became a pivotal point around which a new national project of economic growth hinged Transnational ideas and international models increasingly framed Irish attitudes to young people s education welfare and employment At the same time Irish youths were participants in a transnational youth culture that appeared to challenge the status quo This book examines the attitudes of those in government the media in civil society organisations and religious bodies to youth and young people addressing new manifestations of youth culture and new developments in youth welfare work In using youth as a lens this book takes an innovative approach that enables a multi faceted examination of the sixties providing fresh perspectives on key social changes and cultural continuities **Citizens in the 'Smart City'** Paolo Cardullo, 2020-09-22 This book critically examines smart city discourse in terms of governance initiatives citizen participation and policies which place emphasis on the citizen as an active recipient and co producer of technological solutions to urban problems The current hype around smart cities and digital technologies has sparked debates in the fields of citizenship urban studies and planning surrounding the rights and ethics of participation It also sparked debates around the forms of governance these technologies actively foster This book presents new socio technological systems of governance that monitor citizen power trust building strategies and social capital It calls for new data economics and digital rights for a city founded on normative ideals rather than neoliberal ones It adopts a normative approach arguing that a reloaded smart city should foster citizenship as a new set of civil and social rights and the citizen as a subject vested with active and meaningful forms of participation and political power Ultimately the book questions the utility of the smart city project for radical municipalism proposing a technological enough but more democratic city an intelligent city in fact Offering useful contribution to smart city initiatives for the protection of emerging digital citizenship rights and socially accrued benefits this book will draw the interest of researchers policymakers and professionals in the fields of urban studies urban planning urban geography computing and technology studies urban politics and urban economics *Sophia's Story* Susan McKay, 2004-02-18 In 1995 Sophia McColgan s father was sentenced to prison for the serial rape and abuse of his children over many years He had first raped Sophia when she was only six It had taken immense courage on the part of Sophia and her family to bring the murky hidden world of family child abuse to the public gaze Then in 1998 Susan McKay published *Sophia s Story* one of the most acclaimed Irish books of modern times Now re issued with a new introduction by Susan McKay it records a triumph of the human spirit in the face of the most degrading

and destructive betrayal of trust Sophia McColgan who now lives abroad was Irish Person of the Year in 1998
