Munro, 1974-01-01 The only novel from Alice Munro award winning author of The Love of a Good Woman is an insightful honest book autobiographical in form but not in fact that chronicles a young girl's growing up in rural Ontario in the 1940's Del Jordan lives out at the end of the Flats Road on her father's fox farm where her most frequent companions are an eccentric bachelor family friend and her rough younger brother When she begins spending more time in town she is surrounded by women her mother an agnostic opinionated woman who sells encyclopedias to local farmers her mother's boarder the lusty Fern Dogherty and her best friend Naomi with whom she shares the frustrations and unbridled glee of adolescence Through these unwitting mentors and in her own encounters with sex birth and death Del explores the dark and bright sides of womanhood All along she remains a wise witty observer and recorder of truths in small town life The result is a powerful moving and humorous demonstration of Alice Munro's unparalleled awareness of the lives of girls and women

**Introducing Alice Munro's Lives of Girls and Women** Neil Kalman Besner, 1990 Handbook of Girls' and Women's Psychological Health Carol D. Goodheart, 2006 The Handbook of Girls and Women's Psychological Health presents a contemporary view of psychological health for girls and women that integrates psychology physiology society and culture A range of 50 chapters integrates current research scholarship and practice on the risks and protective factors that influence women's health and well being across the life span Within and biopsychosocial framework the Handbook explores mind and body risks and resilience research and interventions cultural diversity and public policy This Handbook underscores the

importance of gender in the lives of girls and women developmentally across significant phases of the life span Considering the importance of cultural context this book illustrates how gender socialization in female development and behavior affects self evaluation identity processes and the social roles that girls and women adopt Its chapters illustrate how externally induced risks such as poverty discrimination and violence present challenges to healthy development Significantly the chapters also draw attention to long overlooked and compelling strengths and capacities that provide a firm basis for growth and health

**BOOK JACKET** **Alice Munro: Paradox and Parallel** Walter R. Martin, 1987 Beginning with her earliest uncollected stories W R Martin critically examines Alice Munro s writing career He discusses influences on Munro and presents an overview of the prominent features of her art the typical protagonist the development of her narrative technique and the dialectic that involves paradoxes and parallels

*North American Encounters* Dieter Meindl, 2002 These essays in English except for four items in German and French provide an intercultural perspective They deal with such diverse aspects of North American including Quebecois literature The continental context also pervades treatments of novels featuring Indian wars sentimentalism the West and modern p caros story cycles e g Atwood s and the long poem Kroetsch

**Women's Movement** Heidi Slettedahl MacPherson, 2021-07-26 Women s Movement critically explores the transgressive potential of feminist escape narratives and argues that they are almost by definition radically different from paradigmatic male escape narratives While definitions of escape are necessarily broad they have too often excluded the ambiguous escape the escape most closely associated with the female Indeed feminist escape narratives often resist a happy ending and Women s Movement argues that these narrative closures reflect the changing face of feminism as it sheds its old certainties is faced with a monumental backlash and is refigured as the potentially less threatening postfeminism Resisting the automatic association of escape with escapist Women s Movement analyzes male adventure and quest narratives including Moby Dick The Adventures of Huckleberry Finn Blood Meridian and Deliverance before turning to a range of feminist texts While being the first book to give critical attention to some postfeminist novels Women s Movement more often acts as a channel for offering different ways of approaching familiar feminist texts including among others Marian Engel s Bear Atwood s Surfacing and The Handmaid s Tale Joan Barfoot s Gaining Ground and Dancing in the Dark Anne Tyler s Earthly Possessions and Ladder of Years Marilynne Robinson s Housekeeping Erica Jong s Fear of Flying and Margaret Laurence s The Diviners

**Psychological Development of Girls and Women** Sheila Greene, 2014-02-25 In this book Sheila Greene presents a challenging new perspective on the psychological development of girls and women which emphasises the central role of time in human development She critically reviews traditional and contemporary theoretical approaches ranging from orthodox psychoanalysis to relational and post modern theories and argues that even those claiming to be focused on development

have presented a view of women's lives as fixed and determined by their nature or their past. These theories she believes should be rejected because of their inherent lack of validity and their frequently oppressive implications for women. Greene's approach places primary importance on temporality itself and on the competing discourses on time, age and development which play an active role in the construction of the lives of girls and women. Essential but often neglected insights from the more compelling developmental and feminist theories are woven together within a theoretical framework that emphasises temporality, emergence and human agency. The result is a liberating theory of women's psychological development as constantly emerging and changing in time rather than as static and fixed by their nature, socio-cultural context and personal history. *The Psychological Development of Girls and Women* will be essential reading for students and researchers in the psychology of women, developmental psychology and women's studies.

*The Canadian Novel* John Moss, 1983-02. A collection of essays about contemporary Canadian novels by Margaret Atwood, Robertson Davies, Margaret Laurence, Alice Munro, Mordecai Richler, Rudy Wiebe, as edited by professor of English at the University of Ottawa John Moss. **Lives of Girls and Women** Alice Munro, 1971. Del Jordan reflects on growing up in the era of hope that was the 1940s and 1950s.

*Alice Munro* Coral Ann Howells, 1998-10-15. Alice Munro is Canada's greatest short story writer. This book, the first full length study of her work published in Britain, explores the appeal of Munro's fictions of small town Canadian life with their precise attention to social surfaces and their fascination with local gossip and scandal. This is a world of open secrets and Howells highlights Munro's distinctive storytelling methods which combine the familiar and the unfamiliar, slipping between realism and fantasy to make visible what is usually hidden within everyday life. These are women's narratives full of silent female knowledge of female bodies, love stories and romantic fantasies as well as female casualties. Munro takes up the traditional subjects of women's fiction through her stories significantly: female plots, stories of entrapment and escape attempts where secrecy and silence become strategies of resistance. Munro's enthusiasm for the work of other women writers from Emily Brontë and L.M. Montgomery to Eudora Welty is emphasized as Munro continues to experiment with the short story form, creating worlds which are both touchable and mysterious. **The Fiction of Alice Munro** Brad

Hooper, 2008-06-30. As a short story writer, Alice Munro has achieved high critical and popular regard in both her native Canada and in the United States. Indeed, Munro has been adopted by the entire English speaking world as one of its own and her work has received many awards and honors. In the U.S. she is roundly regarded as one of the best if not the best contemporary writers of the short story and one of the greatest living fiction writers. Here Brad Hooper takes readers through her fiction work by work, discussing the themes, forms, techniques and styles she employs to make her work come alive. Munro has founded her own brand of the short story, longer than traditionally practiced in the short story form and encompassing broader time frames. Her stories are primarily character studies that explore the impact of physical and mental isolation in adolescence, middle age and into elder years. Hooper traces Munro's evolving definition of the short story form.

and surveys the fiction in an effort to elucidate the works for newcomers and enthusiasts alike Companion to Literature Abby H. P.
