I. Purpose

The purpose of these procedures is to outline for University supervisory and administrative personnel, principal investigators, subcontractors and University departments the specific policies, responsibilities and procedures for acquisition, control, use, care maintenance, disposition, and reporting of personal property held by the University which was Government furnished or procured by the University with state funds, local funds or Federal funds.

II. General

Policy

The Government requires the University to procure, use and control property in accordance with Federal laws, executive orders, instructions from the Federal sponsoring agency and any special instructions contained in the specific sponsored program. It is Government policy, however, to rely upon the University's internal written procedures, subject to evaluation and approval.

Authority and Applicability

The applicable policies and procedures outlined in this manual apply to the University and its subcontractors and are intended to ensure compliance with general Government requirements.

Special Conditions and Procedures

Specific agencies and specific sponsored programs may impose special conditions beyond general agency requirements. In such cases, the special conditions and procedures so prescribed supersede procedures outlined in this manual.
