Salvation is what the story of the Bible is all about, the final goal of God's narrative. But throughout the Bible there are two parallel dramas unfolding: The lower story which describes the events from our human perspective; The upper story which reveals how the events unfold from God's perspective. The goal of the God the Savior Bible study is to introduce you to these lower and upper stories as told in the New Testament. As you read these stories featuring characters such as Mary and Joseph, the Twelve Disciples, John the Baptist, Mary Magdalene, and the central figure Jesus Christ, you will see how God has been weaving our lower story into the greater upper story that he has been writing. This study guide has everything you need for a full Bible study experience, including: The study guide itself with discussion and reflection questions, video notes, and Scripture readings.
