fearless and peerless Dan Savage You are a sexual deviant A pervert through and through We may not want to admit it but as the award winning columnist and psychologist Jesse Bering reveals in Perv there is a spectrum of perversion along which we all sit Whether it s voyeurism exhibitionism or your run of the mill foot fetish we all possess a suite of sexual tastes as unique as our fingerprints and as secret as the rest of the skeletons we ve hidden in our closets Combining cutting edge studies and critiques of landmark research and conclusions drawn by Sigmund Freud Alfred Kinsey and the DSM 5 Bering pulls the curtain back on paraphilias arguing that sexual deviance is commonplace He explores the countless fetishists of the world including people who wear a respectable suit during the day and handcuff a willing sexual partner at night But he also takes us into the lives of erotic outliers such as a woman who falls madly in love with the Eiffel Tower a pair of deeply affectionate identical twins those with a particular penchant for statues and others who are enamored of crevices not found on the human body Moving from science to politics psychology history and his own reflections on growing up gay in America Bering confronts hypocrisy prejudice and harm as they relate to sexuality on a global scale Humanizing so called deviants while at the same time asking serious questions about the differences between thought and action he presents us with a challenge to understand that our best hope of solving some of the most troubling problems of our age hinges entirely on the amoral study of sex As kinky as it is compassionate illuminating and engrossing Perv is an irresistible and deeply personal book I can t promise you an orgasm at the end of our adventure Bering writes but I can promise you a better understanding of why you get the ones you do

**Bedding My Gay Sitter** Michael Levi, 2025-06-12 5 dirty stories featuring first times guy parts touching and naughty brats being put in their places This collection is meant only for the most mature and demanding readers Subdued by the Gay Sitter 1 Brock has been a bad student and now his old man punished him by forcing him to stay at home with a sitter The biggest concern of his with that The sitter is barely older than him and he is a man It was not surprising that he found himself with little respect for his caretaker and homeschool professor What he didn t imagine during their first few days was that the sitter had enough of his disobedience and was going to put the straight Jock in his place the hard and merciless way Subdued by the Gay Sitter 2 Junior is not willing to obey Wellington the sitter that his old man hired to take care of him He thinks that being much bigger and taller than Wellington will be enough to intimidate him but little does he know that the sitter has his own ways of dealing with macho men like him Junior might be a little reluctant at first but there is nothing like some dirty persuasion to make him kneel in submission for his sitter Subdued by the Gay Sitter 3 When Alex s girlfriend hired a private teacher to help him with his studies he didn t think that she actually meant for him to be his sitter Everything gets even weirder when he discovers that he is actually the little guy that he used to bully back in college Alex thinks he is going to have a field day tormenting him again but little does he suspect that Lucas is not the same shy dude that he knew back then It s all going to become much worse for Alex when he realizes that he has never been the bigger man out of the two Subdued by the Gay Sitter 4 The man of the house hired a sitter to take care of his adult but wild

brat One bad turn of events however forces him to come back home and the two of them start a bonding process that could only go in the wrong direction He thinks of his wife and how she is not making him happy anymore as the two of them get dangerously closer to one another The gay sitter has wild thoughts for the much older man and he thinks he can sway him to swing the other way but will the man of the house give in to his unfair advancements Subdued by the Gay Sitter 5 Francis has been hired by the man of the house to take care of his brat One unfortunate turn of events for him however shows that it is not just his brat that needs some adult love and caring It doesn't take long before the sitter has to change his diaper as well Deep down the man of the house has always been a needy and spoiled little that needs to be put in his place **The**

*The 2000s Made Me Gay* Grace Perry,2021-06-01 From The Onion and Reductress contributor this collection of essays is a hilarious nostalgic trip through beloved 2000s media interweaving cultural criticism and personal narrative to examine how a very straight decade forged a very queer woman A Lambda Literary Award Finalist Honest funny smart and illuminating Anna Drezen co head writer of SNL If you came of age at the intersection of Mean Girls and The L Word Read this book Sarah Pappalardo editor in chief and co founder of Reductress Today's gay youth have dozens of queer peer heroes both fictional and real but former gay teenager Grace Perry did not have that luxury Instead she had to search for queerness in

the largely straight teen cultural phenomena the aughts had to offer in Lindsay Lohan's fall from grace Gossip Girl Katy Perry's I Kissed A Girl country era Taylor Swift and Seth Cohen jumping on a coffee cart And for better or worse these touch points shaped her adult identity She came out on the other side like many millennials did in her words gay as hell Throw on your Von Dutch hats and join Grace on a journey back through the pop culture moments of the aughts before the cataclysmic shift in LGBTQ representation and acceptance a time not so long ago which many seem to forget

*Memories of a Gay Catholic Boyhood* John D'Emilio, 2022-07-11 John D'Emilio is one of the leading historians of his generation and a pioneering figure in the field of LGBTQ history At times his life has been seemingly at odds with his upbringing How does a boy from an Italian immigrant family in which everyone unfailingly went to confession and Sunday Mass become a lapsed Catholic How does a family who worshipped Senator Joseph McCarthy and supported Richard Nixon produce an antiwar activist and pacifist How does a family in which the word divorce was never spoken raise a son who comes to explore the hidden gay sexual underworld of New York City *Memories of a Gay Catholic Boyhood* is D'Emilio's coming of age story in which he takes readers from his working class Bronx neighborhood to an elite Jesuit high school in Manhattan to Columbia University and the political and social upheavals of the late 1960s He shares his personal experiences of growing up in a conservative tight knit multigenerational family how he went from considering entering the priesthood to losing his faith and coming to terms with his same sex desires Throughout D'Emilio outlines his complicated relationship with his family while showing how his passion for activism influenced his decision to use research writing and teaching to build a strong LGBTQ movement This is not just John D'Emilio's personal story it opens a window into how the conformist baby boom decade of the 1950s transformed into the tumultuous years of radical social movements and widespread protest during the 1960s It is the story of what happens when different cultures and values collide and the tensions and possibilities for personal discovery and growth that emerge Intimate and honest D'Emilio's story will resonate with anyone who has had to chart their own path in a world they did not expect to find

*My Life on the Line* Ryan O'Callaghan, Cyd Zeigler, 2025-07-01 A riveting account of life as a closeted professional athlete from gay NFL player O'Callaghan against the backdrop of depression opioid addiction and the threat of suicide O'Callaghan's story is one of beautiful vulnerability and it further shows the importance of knowing you aren't alone Oprah Daily recommended by Gayle King Ryan O'Callaghan's plan was always to play football and then when his career was over kill himself Growing up in a politically conservative corner of California the not so subtle messages he heard as a young man from his family and from TV and film routinely equated being gay with disease and death Letting people in on the darkest secret he kept buried inside was not an option better death with a secret than life as a gay man As a kid Ryan never envisioned just how far his football career would take him He was recruited by the University of California Berkeley where he spent five seasons playing alongside his friend Aaron Rodgers Then it was on to the NFL for stints with the almost undefeated New England Patriots and the often defeated Kansas City Chiefs Bubbling under the surface of Ryan's entire NFL

career was a collision course between his secret sexuality and his hidden drug use When the league caught him smoking pot he turned to NFL sanctioned prescription painkillers that quickly sent his life into a tailspin As injuries mounted and his daily intake of opioids reached a near lethal level he wrote his suicide note to his parents and plotted his death Yet someone had been watching A member of the Chiefs organization stepped in recognizing the signs of drug addiction Ryan reluctantly sought psychological help and it was there that he revealed his lifelong secret for the very first time Nearing the twilight of his career Ryan faced the ultimate decision end it all or find out if his family and football friends could ever accept a gay man in their lives
