## **My God My Father My Personal Odyssey:**

**My God My Father** Floyd Funk, 2015-02-20 From his early childhood author Floyd Funk was a dreamer and a romantic wanting the most excitement and fulfillment he could get out of life In **My God My Father** he shares forty years of his life story His memoir recounts his pastoral and bittersweet small town Midwestern upbringing culminating in the shocking revelation of his parental abduction at the age of eleven From that point his life is irrevocably altered and we follow him on his trial and error road of reunification both with his family and with his own identity Funk shares how his saving grace was his faith in God the one who helped him conquer his demons and break through the chains that held him down for years This is Floyd's testament to the unyielding presence of God through many years of broken relationships false starts and painful self realization

**Dear Galaxy: Letters to the Universe: A Personal Odyssey** MUHAMMAD ASYRAF NORLI, 2024-02-26 In **Dear Galaxy Letters to The Universe A Personal Odyssey** embark on a deeply personal and transformative journey alongside the author as they navigate the trials and triumphs of life's unpredictable terrain This motivational memoir is a testament to the resilience of the human spirit and the power of self discovery The author's narrative unfolds with raw honesty and unflinching courage from humble beginnings marked by financial struggle As they confront the shadows of adversity a newfound purpose emerges a commitment to education and the pursuit of knowledge as a beacon of hope in the face of hardship As a teacher the author becomes an unwitting protagonist in a story fraught with challenges and injustices From biased assessments to societal inequalities the classroom becomes a crucible where ideals clash and convictions are tested Yet amidst the chaos and uncertainty the author finds solace in the silent embrace of the cosmos Through heartfelt letters addressed to the universe and penned in the sanctity of a diary they find a haven to share their deepest fears insecurities and aspirations **Dear Galaxy** is more than a memoir it is a testament to the transformative power of vulnerability and the healing that comes with self expression Through writing the author discovers a profound sense of purpose and a newfound appreciation for the beauty of the human experience Join them on a journey of self discovery and redemption where the stars themselves witness the resilience of the human spirit In the **Dear Galaxy** pages find inspiration solace and the courage to embrace life's infinite possibilities

**Personal Odyssey** Thomas Sowell, 2001-02-28 This is the gritty story of one man's lifelong education in the school of hard knocks as his journey took him from Harlem to the Marines the Ivy League and a career as a controversial writer teacher and

economist in government and private industry It is also the story of the dramatically changing times in which this personal odyssey took place The vignettes of the people and places that made an impression on Thomas Sowell at various stages of his life range from the poor and the powerless to the mighty and the wealthy from a home for homeless boys to the White House as well as ranging across the United States and around the world It also includes Sowell's startling discovery of his own origins during his teenage years If the child is father to the man this memoir shows the characteristics that have become familiar in the public figure known as Thomas Sowell already present in an obscure little boy born in poverty in the Jim Crow South during the Great Depression and growing up in Harlem His marching to his own drummer his disregard of what others say or think even his battles with editors who attempt to change what he has written are all there in childhood More than a story of the life of Sowell himself this is also a story of the people who gave him their help their support and their loyalty as well as those who demonized him and knifed him in the back It is a story not just of one life but of life in general with all its exhilaration and pain

### **Training to be Myself: An Indulgent Odyssey of Obsessions, Confessions, and Curiosities**

### **Shaping a Global Theological Mind** Darren C. Marks, 2008

Theological thinkers are placed into contexts which inform their theological tasks but that context is usually limited to a European or North American centre usually ignoring minorities and lesser mainstream theologies even in that context This work focuses on the shift of Christian theological thinking from the North Atlantic to the Global South even within the North Atlantic Church and Academy It gives a Global perspective on theological work method and context Theologians from North America Great Britain and Europe Africa Asia Central and South America comment on how their specific context and methodology manifests organizes and is prioritized in their thought so as to make Christian theology relevant to their community By placing the Global South alongside the newly emerging presence of non traditional Western forms such as Pentecostal Aboriginal and Hispanic theologies and theologians a clearer picture of how Christian theology is both enculturated and still familial is offered

### **Buddhists Find Christ** Patrick

O'Connor, 1975

### **Explaining Evil** J. Harold Ellens, 2011-02-18

In this three volume set international scholars from across a broad spectrum of scholarly fields examine the concept of evil throughout history and world cultures from religious scientific psychological and political perspectives The manifestation of evil has provided a convenient theme for popular culture

entertainment ranging from the classic film *The Exorcist* to almost all of Stephen King's horror novels to video games such as *Resident Evil*. Unfortunately dealing with and attempting to overcome the forces of evil is a pervasive problem in the real world as well. Explaining Evil addresses incidents of evil from ancient times to modern day around the globe. Concepts of evil within the big three religions Christianity, Judaism, and Islam are examined as well as in Chinese philosophy and Native American beliefs. The political or national expressions of evil are explored such as the axis of evil that culminated in World War II. These volumes identify the causes and effects of evil and suggest possible remedies to humanity's inescapable flaw.

Womanpriest Alla Renée Bozarth, 1988      **The Tribute** Dennis Rainey, Dave Boehi, 1994 In an age when many adults are not satisfied with how they relate to their parents, *The Tribute* poses a challenging question: Have you ever honored your parents for what they did right? By the time we reach adulthood, many of us have begun to ignore God's commandment to honor your father and your mother. Although we teach this commandment to our children, we may no longer see its applicability to our own parents. In *The Tribute*, Dennis Rainey powerfully addresses the importance of honoring your parents. Rainey will take you step by step through the process of collecting memories and writing your own tribute, using the examples of dozens of people who have written theirs and benefited from the experience. Honoring your parents can peel back the veneer and allow families to become vulnerable. God is truly honored as parents and children connect emotionally. Honor your father and mother is a commandment whose time has come. Join Rainey as you praise your parents for the positive qualities and values they passed on to you. The result will be a profound and incredible experience which could be a relationship and life changing inside cover.      Wrestling with the Goddess Azeem Kayum, 2008-08

*Wrestling with the Goddess* details the candid personal journey of one man's struggle with a debilitating and chronic illness, the insurmountable challenges he faces, and his eventual realization that first and foremost, he must believe in himself. Most human beings strive for greatness in their lives. Azeem Kayum's only wish is to be normal. After suffering a spinal cord injury at birth that results in severe neurological damage, he must begin to deal with a disability that impairs his verbal and comprehension skills and also leaves him with the inability to reason and process information quickly. Confronted with constant social, academic, and physical challenges, Azeem must frequently remind himself that he is not a quitter and soon learns that his pure zest for life will help him overcome countless obstacles. Without realizing it, he begins to achieve greatness through hard work, courage, and a dogged determination to not only survive but also thrive despite all odds. Azeem's story is an eye opener for those who consider themselves normal and undoubtedly a wonderful inspiration for others with disabilities. Azeem's message is simple: Reach for the stars. They may seem far, but persevere and you will get there because anything is possible with the right attitude.
