Fcc License Study Guide:

Plain-English Study Guide for the General Radiotelephone Operator License (GROL) Richard P. Clem, Yippy G Clem, 2013-02-22 This is a study guide for the FCC Element 3 exam for the General Radiotelephone Operator License GROL. Each chapter contains an explanation of the material on that section of the exam and includes all of the possible test questions with the correct answers shown. Most persons taking the exam for the GROL will have some background in electronics and some chapters will serve as a review of what you already know. But the GROL exam covers many different areas some of which might be unfamiliar. This book will be especially helpful when you get to those areas. Basic electricity and electronics are covered. Therefore it would be possible to pass the test simply by studying this book even if you have no background in electronics.

Plain-English Study Guide for the FCC Amateur Radio General Class License Richard P. Clem, 2012-04-18 This is a study guide to help you pass the FCC test for the General Class Amateur Ham Radio license. Even if you have very little background in radio or electronics you will be able to pass the test by using this guide. This book assumes that you have already passed the test for the entry level Technician license. If you haven't there is a separate Plain English guide for that exam. All of the concepts are explained in the most basic terms and each section of the book is followed by the actual questions you will see on the test. When you are finished with this book you will be able to pass the test.
