Visscher,2014-10-24 How should the Word of God be interpreted and applied today Does our modern culture affect how we read the Bible Can certain passages be interpreted in different contexts and in different ways all the while acknowledging that God speaks with a clear and consistent voice These are the enduring challenges of hermeneutics In this volume no less than sixteen Reformed scholars from four different countries join together to tackle the hard questions that often arise when we busy ourselves with the weighty responsibility of interpreting Holy Scripture As iron sharpens iron so also these Reformed scholars challenge each other and their readers to ask not only how hermeneutics can be done but ultimately how it should be done so that God s Word of Truth may be handled correctly 2 Tim 2 15 *The Missionary Review* ,1912 **The United States Catalog** ,1903 Missionary Review of the World ,1928 *The Scripture Principle* Clark H. Pinnock,2002 **Scripture** Robert Saucy,2001-06-09 In a society saturated by the doctrine of tolerance and an air of post modernism one might wonder about the role and significance of the once almighty Scripture Despite what some would consider a time of revival in the church confidence in the Scripture is consistently being undermined by cynical attitudes and critical thinking Saucy s commentary is relevant for the times and speaks to the questioning heart and mind He confirms not only our need for Scripture but also its authority its inerrancy and its impact Simple Discipleship Dana Allin,2019-01-08 A Clear and Personalized Path for Discipleship Discipleship can feel like a meandering journey we don t know what we want and none of the programs offered seem to get us anywhere We need something to orient ourselves and something to direct our steps toward a clear destination Simple Discipleship with its companion assessment tool offers a plan for discipleship that is tailored to your real life and your personality and clearly pointed in the way of Jesus Most discipleship resources are designed as mass productions efficient for touching many but often failing to see individuals grow in Christ

This is the best of both worlds an assessment tool for your entire church combined with an achievable personalized discipling strategy
