*Self-Neglect: Learning from Life* Shona Britten, Karen Whitby, 2025-02-28 A practice based perspective on working with people who self neglect This book explores the issues and situations which can arise and helps practitioners to adopt a strengths based Learning from Life approach in the translation of MSP principles to practical implementation Self neglect Learning from Life helps frontline practitioners ensure that Making Safeguarding Personal MSP is an everyday reality Using two case scenarios the authors examine issues and practice based situations which arise in the daily application of MSP to casework with adults The scenarios demonstrate lifespan and experience issues in the adoption of MSP as person centred and person led practice with people who self neglect The statutory principles of Empowerment Prevention Proportionality Protection Partnership and Accountability are also translated into practical language and their meaning and implications are unpacked This journey from principles to practical implementation uses a suite of clear and concise practice focused resources which adopt a person centred relationship based approach to all conversations interventions and aspects of practice The resources include a range from SnapShots on a selection of relevant topic areas in work with adults at risk through their safeguarding journey practice based tools for practitioners to use in the quality monitoring of their own casework Taking it Further referencing and suggested sources of more information This invaluable book fills a gap that currently exists in the practical application of the statutory MSP principles as part of a life span approach to work with people who self neglect It minimises the risks associated with siloed approaches to ensure the person is held at the centre of all interventions

**Images of Contemporary Iceland** Gisli Palsson, E. Paul Durrenberger, 1996-01-01 The Anthropology of Iceland presents the first perspectives on Icelandic anthropology from both Icelandic and foreign anthropologists The thirteen essays in this volume are divided into four themes ideology and action kinship and gender culture class and ethnicity and the Commonwealth period of circa 930 to 1220 which saw the flowering of sagas Insider and outsider viewpoints on such topics as the Icelandic women s movement the transformation of the fishing industry the idea of mystical power in modern Iceland and archaeological research in Iceland merge to form an international comparative discourse Individually and collectively by bringing the insights of anthropology to bear on Iceland the native and foreign authors of this volume carry Iceland into the realm of modern anthropology advancing our understanding of the island s people and the practice of anthropology

**Coercive Control** Evan Stark, 2009-03-01 One of the most important books ever written on domestic violence Coercive Control breaks through entrenched views of physical abuse that have ultimately failed to protect women Evan Stark founder of one of America s first battered women s shelters shows how domestic violence is neither primarily domestic nor necessarily violent but a pattern of controlling behaviors more akin to terrorism and hostage taking Drawing on court records interviews and FBI statistics Stark details coercive strategies that men use to deny women their very personhood from beeper games to food logs to micromanaging dress speech sexual activity and work Stark urges us to move

beyond the injury model and focus on the real victimization that allows men to violate women's human rights with impunity. Provocative and brilliantly argued *Coercive Control* reframes abuse as a liberty crime rather than a crime of assault and points the way to bringing real equality for women in line with their formal rights to personhood and citizenship freedom and safety.

*Intimate Partner Violence* Samuel R. Aymer, 2021-09-09 *Intimate Partner Violence Clinical Interventions with Partners and Their Children* brings into focus an ecological and clinical frame for addressing the resulting psychological effects of intimate partner violence (IPV). Aymer presents a perspective that is often omitted from social science textbooks which are geared to policy practice tending to expose students to macro systemic ideas including criminal justice policies and procedures relative to IPV. However, this book expands clinical practice pedagogy by reinforcing the need for students to go beyond macro issues in order to deliver competent clinically based interventions that help partners and their children work through the consequential effects of partner violence. Designed for graduate students in social work psychology gender studies and allied mental health programs, it expands the discourse arguing that IPV is a complex psycho-social-political relational problem that must be understood from a multi-theoretical perspective. Through case studies, theory research, and the author's clinical practice wisdom, this text will increase understanding of how to work clinically with women affected by IPV, increase knowledge of how to work with abusive men, heighten knowledge of how IPV affects children and adolescents, expand knowledge of social and cultural notions, and explore men's role in terms of advocating against gender-based violence.

*Woman-battering* Carol J. Adams, Written by a new generation of recognized experts in pastoral care, these brief foundational books offer practical advice to pastors on the most frequent dilemmas of pastoral care and counseling.

*Conformity and Conflict* James Spradley, David W. McCurdy, 2000 *On anthropology: human behavior and events*

*Responding to Domestic Violence* Eve S. Buzawa, Eva Schlesinger Buzawa, Carl G. Buzawa, Evan Stark, 2012 Building on the success of previous editions, this book has been expanded to integrate the criminal justice system into a broad systemic response for both victims and offenders.

***Conformity and Conflict*** James P. Spradley, David W. McCurdy, 2012 Demonstrate the nature of culture and its influence on people's lives. For over 40 years, the best-selling *Conformity and Conflict* has brought together original readings and cutting-edge research alongside classic works as a powerful way to study human behavior and events. Its readings cover a broad range of theoretical perspectives and demonstrate basic anthropological concepts.
