

⚠ WARNING - Battery Leakage

The Game Boy micro contains a rechargeable lithium-ion battery pack. Leakage of ingredients contained within the battery pack, or the combustion products of the ingredients, can cause personal injury as well as damage to your Game Boy. If battery leakage occurs, avoid contact with skin. If contact occurs, immediately wash thoroughly with soap and water. If liquid leaking from a battery pack comes into contact with your eyes, immediately flush thoroughly with water and see a doctor.

To avoid battery leakage:

- Do not expose battery to excessive physical shock, vibration or liquids.
- Do not disassemble, attempt to repair or deform the battery.
- Do not dispose of batteries in a fire.
- Do not touch the terminals of the battery, or cause a short between the terminals with a metal object.
- Do not pierce or damage the battery label.

Do not remove the rechargeable battery pack from the Game Boy micro unless it needs to be replaced.

Do not use any battery other than the Game Boy micro rechargeable battery pack. A replacement battery may be ordered through Nintendo's web site at www.nintendo.com or call Customer Service at 1-800-255-3700.

4

When recharging the battery pack, only use the Game Boy micro AC Adapter included with this system.

When disposing of the battery pack, follow appropriate local guidelines and regulations. For information on battery disposal contact your local solid waste authority.

IMPORTANT: Do not spill liquids on the Game Boy micro, Game Paks or other components or accessories. If the Game Boy micro comes into contact with liquids, wipe clean with a soft, slightly damp cloth (use water only). Remove the battery cover and battery. If liquid has come into contact with the battery, do not reuse it. Call Nintendo Customer Service at 1-800-255-3700 for further instructions on battery replacement and possible service to your Game Boy micro.

Refer to the separate Game Boy Health and Safety Precautions booklet for additional information on hardware and software precautions and maintenance.

IMPORTANT: This product is a complex electronic device that can be damaged by direct physical impact. A protective carrying case (sold separately) may help prevent problems related to impact damage.

NOTE: This product does not contain latex, lead, mercury, cadmium, hexavalent chromium, PBB or PBDE.

5

Components

6

- 1. L and R Buttons, A and B Buttons and D-Pad Control Pad**
Game play controls - Hold L Button down while pressing Volume/Brightness Adjustment Switch (2) up or down to adjust screen brightness.
