Lying Beliefs Stretching The Boundaries On Your Path To Enlightenment:

Lying Beliefs MR Maurice Johnson, NoMoEgo, 2016-04-21 Lying Beliefs is a book that will assist anyone who is sincerely seeking to free themselves from the controlling and conflicting beliefs that breed a systematic way of living that can seem like a prison at times In truth it is our flawed perception of reality that imprisons us The book brilliantly articulates how humanity fails to recognize that it is only the arguable man made beliefs that we have embraced that creates a fraudulent perception of who we think we are which in turn deters our awareness from our true divine nature On a rare occasion a book comes along that really challenges you to take a deep look at your belief system In an age where so many are looking for a true sense of freedom and fulfillment few realize that it is our core beliefs that lie in the way of our destiny Our individual belief systems constructs an impenetrable wall within our minds that isolates and confines us Thus true freedom and fulfillment can only be obtained when our attention is not being constantly consumed by the convoluted information that occupies our minds The Author eloquently exposes in a breathtaking way how we human beings via our different man made ideas beliefs theories etc live our lives fearfully tucked away in our own remote worlds seemingly encased in our own restricted boxes Thus the material in this book compels you not to just think outside of the box but to help you realize that in reality there is NO box by way of stretching or expanding your awareness beyond the limitation of what you have been taught to believe in order to free the true sacred identity of who you are from the self controlling idea of who you think you are which has been conceptualized by your mind

A Time of Lost and Forgotten Justin Weinraub, 2009-06 This book is my heart and soul put to the page It is about love and heartbreak about God and a deep spiritual quest It is about suffering and healing There are many short writings and poems which should make for a more pleasant read for those who do not like to read The words contained in this book mean so much to me I hope that they can mean something for you Let them stir your feelings and use those feelings to understand what I mean or what will be meant for you

Lying Beliefs Maurice D. Johnson, 2014-03 Lying Beliefs is a creative non fiction conversational documentary that will capture your attention and intrigue you by way of grasping your awareness and plunging it deep into the vast sea of the human unknown The material

constructed within Lying Beliefs has been created to help those who are pursuing a better sense of self by way of swimming through the dark man made seaweed that currently occupies their sub conscious mind in order to envision their eternal light Although the information written within Lying Beliefs is far from shallow please know the depth of the message communicated is provided in an extremely rational tone Hence Lying Beliefs logically sheds light as to why we human beings do not possess a conscious mind Lying Beliefs marries the Christian Religion with Science and reasonably explains the premise behind why we human beings are considered to have a Soul Sol Lying Beliefs also provides a plethora of analogies and examples as to how our Almighty Sub Conscious Mind has freed us from our own Free Will And unbeknownst to us how we human beings have all become willing servants to our man made sub conscious beliefs Thus we human beings on a daily basis are being manipulated by our very own sub conscious mind which in reality is a God given gift that was granted to us to be used in a prudent and loving manner Therefore if you are a human being who innately yearns to know why you suffer and what is the root cause that stems your suffering And if you are really searching for a deeper sense of who you truly are in order to free your self from your mental anguish then search no further Considering if you are willing to open your heart and especially your sub conscious mind Lying Beliefs will cast the light upon the darkness that bears your pain and suffering as well as introduce to your sub conscious mind that glorious light which illuminates who you truly are True enlightenment is realizing that the sole soul truth lay beyond our LYING BELIEFS
