

# FATAL INTERVIEW

SONNETS BY  
EDNA ST. VINCENT MILLAY

*In this new volume, as in "Renasceance," "Second April," and "The Buck in the Snow," Miss Millay shows herself an ardent lover of life and beauty. Here, in a matchless sonnet sequence, is enshrined the quintessence of her emotional and artistic power. She brings to the classic form new color and new splendor.*

## Fatal Interview Sonnets:

**Fatal Interview** Edna St. Vincent Millay, 1932      Fatal Interview: Sonnets Edna St. Vincent Millay, 2021-11-09T17:08:00Z In this new volume Miss Millay shows herself an ardent lover of life and beauty Here in a matchless sonnet sequence is enshrined the quintessence of her emotional and artistic power She brings to the classic form new color and new splendor Here are sonnets from Millay's most popular period Woman of Today labelled Millay as the outstanding young poet of her time      **Fatal Interview** Edna Saint Vincent Millay, 1931      **Fatal Interview [excerpt]** Edna St. Vincent Millay, 1981      *Sonnets* Elinor Remick Warren, 1974      **Sonnets** Elinor Remick Warren, 1974      **A Century of Sonnets** Paula R. Feldman, Daniel Robinson, 2002-12-20 A Century of Sonnets is a striking reminder that some of the best known and most well respected poems of the Romantic era were sonnets It presents the broad and rich context of such favorites as Percy Bysshe Shelley's Ozymandias John Keats's On First Looking Into Chapman's Homer and William Wordsworth's Composed Upon Westminster Bridge by tracing the sonnet revival in England from its beginning in the hands of Thomas Edwards and Charlotte Smith to its culmination in the poetry of Elizabeth Barrett Browning and Dante Gabriel Rossetti Expertly edited by Paula R. Feldman and Daniel Robinson this volume is the first in modern times to collect the sonnets of the Romantic period many never before published in the twentieth century and contains nearly five hundred examples composed between 1750 and 1850 by 81 poets nearly half of them women A Century of Sonnets includes in their entirety such important but difficult to find sonnet sequences as William Wordsworth's The River Duddon Mary Robinson's Sappho and Phaon and Robert Southey's Poems on the Slave Trade along with Browning's enduring classic Sonnets from the Portuguese The poems collected here express the full sweep of human emotion and explore a wide range of themes including love grief politics friendship nature art and the enigmatic character of poetry itself Indeed for many poets the sonnet form elicited their strongest work A Century of Sonnets shows us that far from disappearing with Shakespeare and the English Renaissance the sonnet underwent a remarkable rebirth in the Romantic period giving us a rich body of work that continues to influence poets even today      *Selected Poems of Edna St. Vincent Millay* Edna St. Vincent Millay, Holly Peppe, 2016-01-01 More than sixty years after her death the Pulitzer Prizewinning poet Edna St. Vincent Millay continues to captivate new generations of readers The twentieth century American author was catapulted to fame after the publication of *Renascence* her first major work and a poem written while she was still a teenager Millay's frank attitude toward sexuality along with immortal lines such as *My candle burns at both ends* solidified her reputation as the quintessential liberated woman of the Jazz Age In this authoritative volume Timothy F. Jackson has compiled and annotated a new selection that represents the full range of her published work alongside previously unpublished manuscript excerpts poems prose and correspondence The poems appearing as they were printed in their first editions are complemented by Jackson's extensive illuminating notes which draw on archival sources and help situate her work in its historical and literary context Two introductory essays one by

Jackson and the other by Millays literary executor Holly Pippel also help critically frame the poets work **Millay at 100** Diane P. Freedman, 1995 In this newest addition to Sandra M Gilbert s *Ad Feminam Women and Literature* series Diane P Freedman brings together twelve essays by critics of poetry and women s writing for a critical reappraisal of the prolific work of Edna St Vincent Millay Though finding its occasion in the life of Millay the centennial of the writer s birth this volume refocuses attention on Millay s art by asking questions central to our present concerns What in the varied body of Millay s work speaks to us most forcefully today Which critical perspectives most illuminate her texts How might those approaches be challenged extended or reoriented In seeking the answers to such questions the volume s contributors illuminate the means by which Millay s early success has been slighted and misunderstood and examine issues of personality personae critical stature and formal experimentation in Millay s various genres lyric poetry the sonnet verse drama fiction and the personal letter In 1920 following the publication of *A Few Figs from Thistles* Millay was the It girl of American poetry But by the late 1930s her popularity waned as her critical reputation declined under the reign of high modernism and its critics In fact Millay like others of her generation had rejected modernist elitism in favor of public engagement using her powerful public voice to plead for an end to the Sacco Vanzetti trials as well as for U S entry into World War II Condemned for both her politicizing and her political poetry she was the first to admit that she and her poetry suffered in the service of public causes Grouped into four parts these essays focus on Millay s relation to modernism her revisionary perspectives on love her treatment of time and of the female body and her use of masquerade and impersonation in life and in art Throughout the essayists pose such questions as Where is Millay s place in the literary histories of modern writing and in our hearts How are we to value interpret and characterize the various forms and genres in which she wrote What is the cultural work Millay achieves and reflects How does she help us redefine modernism What do Millay s great gifts enable us to see about genre the social construction of gender the definition of modernism and the role of the poet Millay s considerable productivity the range and virtues of her forms and her experimentation clearly argue for a wide ranging reappraisal of her work *What Lips My Lips Have Kissed* Daniel Mark Epstein, 2024-06-04 A noted biographer and poet illuminates the unique woman who wrote the greatest American love poetry of the twentieth century *What Lips My Lips Have Kissed* is the story of a rare sort of American genius who grew up in grinding poverty in Camden Maine Nothing could save the sensitive child but her talent for words music and drama and an inexorable desire to be loved When she was twenty her poetry would make her famous at thirty she would be loved by readers the world over Edna St Vincent Millay was widely considered to be the most seductive woman of her age Few men could resist her and many women also fell under her spell From the publication of her first poems until the scandal over *Fatal Interview* twenty years later gossip about the poet s liberated lifestyle prompted speculation about who might be the real subject of her verses Using letters diaries and journals of the poet and her lovers that have only recently become available Daniel Mark Epstein tells the astonishing story of the life dedicated to art and love

that inspired the sublime lyrics of Edna St Vincent Millay      *Sonnets from Fatal Interview/Sonetti da Colloquio Fatale* Edna St Vincent Millay, 2020-05-25 Millay's Fatal Interview love affair began in 1928 while at the University of Chicago on a reading tour. She immediately fell in love and began a relationship with the recently graduated yet critically acclaimed poet who introduced her George Dillon. She was 36 married and living at her country estate in Austerlitz New York while George was 22 and working as the associate editor of the important magazine Poetry in Chicago. The relationship was striking for several reasons other than immediacy age and marital status. Millay's husband believing with her in the concept of open marriage condoned the relationship and the book Fatal Interview that followed the affair to its end was published only three years after its start. Il rapporto amoroso esplicito nella sequenza Colloquio Fatale di Millay ebbe inizio nel 1928 all'università di Chicago mentre lei faceva un giro di recitazioni. Si era innamorata di colpo entrando in una relazione con Giorgio Dillon un poeta appena laureato ma già criticamente noto che era incaricato a presentarla. Lei aveva 36 anni era sposata e abitava nella sua tenuta ad Austerlitz New York mentre Giorgio aveva 22 anni e lavorava come editore aggiunto della rivista Poetry di Chicago. Il rapporto amoroso si può dire eccezionale per l'impetuosità, le differenze d'età e i stati civili diversi della coppia ma ancora di più per la tolleranza dello sposo di Millay che con lei atteneva all'idea di matrimonio aperto e il libro Colloquio Fatale che seguì la relazione fino alla fine fu pubblicato solo tre anni dal suo inizio. Even though the sonnet sequence is seen as a traditionally masculine genre due to its supposedly sublime or heroic characteristic Millay's Fatal Interview sequence does in fact exhibit heroic qualities often expressing courageous determination. Criticized in her time for being too sentimental, Shakespearian or romantic to be a modern Millay nevertheless was a diva of poetry during the Roaring Twenties such that she could hardly be denied the Pulitzer Prize in 1923 conferred even prior to Fatal Interview 1931 which the translator of this collection sees as among Millay's more mature works. Anche se la sequenza di sonetti vista dalla tradizione come progetto maschile per il suo carattere sublime o eroico la sequenza Colloquio Fatale di Millay esibisce in fatti delle qualità eroiche spesso mostrando una determinazione ardita. Criticata ai suoi tempi per essere troppo sentimentale o shakespeariana o romantica e perciò non moderna Millay nondimeno era la diva dell'arte poetica dei ruggenti anni venti tanto che non si poteva fare a meno di conferirle il Premio Pulitzer del 1923 che avvenne anche prima della pubblicazione di Colloquio Fatale 1931 e che secondo la traduttrice di questa raccolta conta fra i suoi più maturi lavori.

**The Tragic Life Story of Medea as Mother, Monster, and Muse** Jana Rivers Norton, 2019-11-13 This volume offers a critical yet empathic exploration of the ancient myth of Medea as immortalized by early Greek and Roman dramatists to showcase the tragic forces afoot when relational suffering remains unresolved in the lives of individuals, families and communities. Medea as a tragic figure whose sense of isolation and betrayal interferes with her ability to form healthy attachments reveals the human propensity for violence when the agony of unresolved grief turns to vengeance against those we hold most dear. However metaphorically her life story as an emblem for existential crisis serves as a psychological touchstone in the lives of early

twentieth century female authors who struggled to find their rightful place in the world to resolve the sorrow of unrequited love and devotion and to reconcile experiences of societal abandonment and neglect as self discovery **Desire and**

**Gender in the Sonnet Tradition** N. Distiller, 2008-02-21 This new study explores the poetic tradition of the love sonnet sequence in English as written by women from 1621 1931 It connects this tradition to ways of speaking desire in public in operation today and to the development of theories of subjectivity in Western culture **Uneasy Alliance** Hans Bak, 2004

**Uneasy Alliance** illuminates the recent search in literary studies for a new interface between textual and contextual readings Written in tribute to G A M Janssens the twenty one essays in the volume exemplify a renewed awareness of the paradoxical nature of literary texts both as works of literary art and as documents embedded in and functioning within a writer's life and culture Together they offer fresh and often interdisciplinary perspectives on twentieth century American writers of more or less established status Henry James Edna St Vincent Millay E E Cummings Vladimir Nabokov Flannery O'Connor Saul Bellow Michael Ondaatje Toni Morrison and Sandra Cisneros as well as on those who for reasons of fashion politics ideology or gender have been unduly neglected Booth Tarkington Julia Peterkin Robert Coates Martha Gellhorn Isabella Gardner Karl Shapiro the young Jewish American writers Julia Alvarez and writers of popular crime and detective fiction Exploring the fruitful interactions and uneasy alliance between literature and ethics film biography gender studies popular culture avant garde art urban studies anthropology and multicultural studies together these essays testify to the ongoing pertinence of an approach to literature that is undogmatic sensitive and sophisticated and that seeks to do justice to the complex interweavings of literature culture and biography in twentieth century American writing **Ideology and Rhetoric**

Bożenna Chylińska, 2009-01-14 The discovery of America and its further development into a modern state and a nation are the clear instance of how ideology and rhetoric are entwined and how they can encompass widely disparate viewpoints The essays collected in this book address the topical issues of modern American Studies cultural difference and otherness gender race and ethnicity class and power They represent new texts and contexts approached through the revision reevaluation and reconfiguration of canons thus accommodating the expectations of the heterodox audience Femininity reconsidered an ideology of passing away in contemporary world of technical development race captured within the framework of identity and gender the rhetoric of blackness approached through racial exploitation American conquest ideology revealed in a mission of Manifest Destiny the 20th century assimilation rhetoric in the relations between Native Americans and the US federal government the conservative ideology and apologetic rhetoric of the Antebellum South the critique of the 21st century American legal system the evolution of the presidential rhetoric which today addresses a large heterogeneous audience all these topics impose a transnational interpretation of American culture which developed as a result of the cross cultural transformation of European culture cultures moulded on American soil to finally become a unique reformulation of the very idea of America itself **Savage Beauty** Nancy Milford, 2002-09-10 Thirty years after the smashing success of *Zelda* Nancy

Milford returns with a stunning second act *Savage Beauty* is the portrait of a passionate fearless woman who obsessed American ever as she tormented herself ONE OF ESQUIRE S 50 BEST BIOGRAPHIES OF ALL TIME If F Scott Fitzgerald was the hero of the Jazz Age Edna St Vincent Millay as flamboyant in her love affairs as she was in her art was its heroine The first woman ever to win the Pulitzer Prize Millay was dazzling in the performance of herself Her voice was likened to an instrument of seduction and her impact on crowds and on men was legendary Yet beneath her studied act all was not well Milford calls her book a family romance for the love between the three Millay sisters and their mother was so deep as to be dangerous As a family they were like real life *Little Women* with a touch of *Mommie Dearest* Nancy Milford was given exclusive access to Millay's papers and what she found was an extraordinary treasure Boxes and boxes of letter flew back and forth among the three sisters and their mother and Millay kept the most intimate diary one whose ruthless honesty brings to mind Sylvia Plath Written with passion and flair *Savage Beauty* is an iconic portrait of a woman's life

**Gendering Musical Modernism** Ellie M. Hisama, 2006-11-02 This book explores the work of three significant American women composers of the twentieth century Ruth Crawford Marion Bauer and Miriam Gideon It offers information on both their lives and music and skillfully interweaves history and musical analysis in ways that both the specialist and the more general reader will find compelling Ellie Hisama suggests that recognising the impact of a composer's identity on the music itself imparts valuable ways of hearing and understanding these works and breaks important new ground towards constructing a feminist music theory The Penguin Book of the Sonnet Various, 2001-11-01 A unique anthology celebrating that most vigorous of literary forms the sonnet The sonnet is one of the oldest and most enduring literary forms of the post classical world a meeting place of image and voice passion and reason elegy and ode It is a form that both challenges and liberates the poet For this anthology poet and scholar Phillis Levin has gathered more than 600 sonnets to tell the full story of the sonnet tradition in the English language She begins with its Italian origins takes the reader through its multifaceted development from the Elizabethan era to the Romantic and Victorian demonstrates its popularity as a vehicle of protest among writers of the Harlem Renaissance and poets who served in the First World War and explores its revival among modern and contemporary poets In her vibrant introduction Levin traces this history discussing characteristic structures and shifting themes and providing illuminating readings of individual sonnets She includes an appendix on structure biographical notes and valuable explanatory notes and indexes And through her narrative and wide ranging selection of sonnets and sonnet sequences she portrays not only the evolution of the form over half a millennium but also its dynamic possibilities

Gendered Modernisms Margaret Dickie, Thomas Travisano, 2016-11-11 Thirteen original essays on Gertrude Stein H D Marianne Moore Edna St Vincent Millay Laura Riding Jackson Elizabeth Bishop Muriel Rukeyser and Gwendolyn Brooks demonstrate how these women expand the social textual and political boundaries of modernism The collection places these poets in the context of their times examining the conditions that helped shape their vivid and diverse poetic careers and

reconsidering some of the assumptions that have led to their exclusion from the main narratives of modernist poetry Ultimately the aim is to enlarge the literary history of the movement for gendered modernism extends backward to the first years of the century and forward to the beginnings of postmodernism in the 1960s **From Lisbon to the World** George Monteiro, 2018-09-04 Fernando Pessoa is one of the greatest poets of the 20th century Until some years ago known in the English speaking world only among a minority of connoisseurs his work is finally becoming available in English translations and more are in the process of reaching the literary public Born in Lisbon in 1888 Pessoa was only forty seven when he died but he left behind a staggering number of unpublished manuscripts that are still being screened and brought to light George Steiner heralded the day Pessoa discovered his major Portuguese heteronyms for no country had ever seen the birth of four great poets in a single day That was a reference to the personae Pessoa created the famous heteronyms Alberto Caeiro Alvaro de Campos and Ricardo Reis besides the man himself all poets in their own right with their biographies and even critical exchanges among themselves Today well over a hundred Pessoa heteronyms are known including notably the semi heteronym Bernardo Soares author of *The Book of Disquiet* presently available in two English translations Lately another Pessoa is emerging an English writer as well as a thinker Indeed having been educated in Durban South Africa where his stepfather was the consul of Portugal the poet had a strong English education that shaped his life and thought George Monteiro has been in the forefront of the uncovering of this side of Pessoa Author among many other works of *The Presence of Pessoa* *English American and Southern African Literary Responses* and *Fernando Pessoa and Nineteenth Century Anglo American Literature* in this volume Monteiro continues to explore and interpret the world of Pessoa to English speaking readers
