Adler,2015-04-07 What is really going on here For decades Renata Adler has been asking and answering this question with unmatched urgency In her essays and long form journalism she has captured the cultural zeitgeist distrusted the accepted wisdom and written stories that would otherwise go untold As a staff writer at The New Yorker from 1963 to 2001 Adler reported on civil rights from Selma Alabama on the war in Biafra the Six Day War and the Vietnam War on the Nixon impeachment inquiry and Congress on cultural life in Cuba She has also written about cultural matters in the United States films as chief film critic for The New York Times books politics television and pop music Like many journalists she has put herself in harm s way in order to give us the news not the news we have become accustomed to celebrity journalism conventional wisdom received ideas but the actual story an account unfettered by ideology or consensus She has been unafraid to speak up when too many other writers have joined the pack In this sense Adler is one of the few independent journalists writing in America today This collection of Adler s nonfiction draws on *Toward a Radical Middle* a selection of her earliest New Yorker pieces *A Year in the Dark* her film reviews and *Canaries in the Mineshaft* a selection of essays on politics and media and also includes uncollected work from the past two decades The more recent pieces are concerned with in her words misrepresentation coercion and abuse of public process and to a degree the journalist s role in it With a brilliant literary and legal mind Adler parses power by analyzing language the language of courts of journalists of political figures of the man on the street In doing so she unravels the tangled narratives that pass for the resolution of scandal and finds the threads that others miss the ones that explain what really is going on here from the Watergate scandal to the preposterous Kenneth Starr report submitted to the House during the Clinton impeachment inquiry to the plagiarism and fabrication scandal of the former New York Times reporter Jayson Blair And she writes extensively about the Supreme Court and the power of its rulings including its fateful decision in *Bush v Gore*

Leatherface vs. Tricky Dick Martin Harris,2021-08-09 The Watergate scandal was a horror show What better way to satirize it than with a horror movie Tobe Hooper s The Texas Chain Saw Massacre premiered in October 1974 mere weeks after the resignation and pardon of Richard Nixon brought an uncertain end to the most corrupt and criminal presidency in American history The film had been conceived written shot edited and produced precisely as Watergate was playing out and those responsible for Chain Saw unhesitatingly spoke of the horrors of contemporary politics as having directly inspired the ones they created for the film Leatherface vs Tricky Dick presents a fascinating minute by minute exploration of the many uncanny connections between

The Texas Chain Saw Massacre and Watergate as well as other ways the film comments on contemporary politics via satire and very dark humor Read and discover Chain Saw s response to the White House horrors the Saturday Night Massacre and more as well as how Leatherface s masks relate to all those Nixon masks worn throughout our long national nightmare

The Nixon Conspiracy Geoff Shepard,2021-11-23 As seen on Tucker Carlson Geoff Shepard s shocking expos of corrupt collusion between prosecutors judges and congressional staff to void Nixon s 1972 landslide reelection Their success changed the course of American history Geoff Shepard had a ringside seat to the unfolding Watergate debacle As the youngest lawyer on Richard Nixon s staff he personally transcribed the Oval Office tape in which Nixon appeared to authorize getting the CIA to interfere with the ongoing FBI investigation and even coined the phrase the smoking gun Like many others the idealistic Shepard was deeply disappointed in the president But as time went on the meticulous lawyer was nagged by the persistent sense that something wasn t right with the case against Nixon The Nixon Conspiracy is a detailed and definitive account of the Watergate prosecutors internal documents uncovered after years of painstaking research in previously sealed archives Shepard reveals the untold story of how a flawed but honorable president was needlessly brought down by a corrupt deep state big media alliance a circumstance that looks all too familiar today In this hard hitting expos Shepard reveals the real smoking gun the prosecutors secret but erroneous Road Map which caused grand jurors to name Nixon a co conspirator in the Watergate cover up and the House Judiciary Committee to adopt its primary Article of Impeachment Shepard s startling conclusion is that Nixon didn t actually have to resign The proof of his good faith is right there on the tapes Instead he should have taken his case to a Senate impeachment trial where if everything we know now had come out he would easily have won **Unlimited Access** Gary Aldrich,1998-02-01 A former FBI agent discusses his

time in the Clinton White House including the absence of security checks Vince Foster s suicide Travelgate corrupt staffers and more *The Theatrical Juggernaut (The Psyche of the Star)* Monroe Mann,2006-10-06 This book may be just the antidote for an actor who has completely lost faith or given up control over his destiny Backstage West Los Angeles If this book is any indication of things to come we are going to be hearing a lot about Monroe Mann Bob Fraser Emmy recognized actor producer writer and director and author of You Must Act A how to for aspiring stars based on boot camp persistence CNN s Wolf Blitzer To make it big you need the Real Deal Mr Mann is the Real Deal Jay Conrad Levinson author of the Guerrilla Marketing series of books This book is unlike any other you will read on the subject of acting It is not about how to find good headshots how to perfect a monologue or how to find an agent though these subjects are indirectly touched upon It s about how to succeed in the arts It s about why 99% of aspiring professional actors fail to even get their foot in the door and how the other 1% somehow do get their foot in the door and actually stay there Once and for all this book aims to shatter the absurd notion that acting professionally is a privilege for only a select few and that without a break given by the industry there is no hope for success The blame for your failure and the credit for your success can only be put on yourself and not the

business Forget the nay sayers wave goodbye to the critics laugh at the agents who won t respond to you The Theatrical Juggernaut is going to inspire you like no other how to book has ever done before **Everything You Always Wanted to Know about Watergate** Brian J.
