Runways & Racers Terry O'Neil, 2011 Runways and Racers focuses on sports car races held at military installations throughout America in the early 1950s. It was a marriage of convenience for the Sports Car Club of America and the Strategic Air Command with both parties gaining advantages from the arrangement. The thorn in the side turned out to be a Congressman whose own aspirations exceeded his standing but who found himself in a position to be able to influence the outcome of events.

**Northeast American Sports Car Races 1950-1959** Terry O'Neil, 2010 This book focuses on the different aspects that contributed to the development of Northeast American sports car racing during the 1950s. The evolution from amateur drivers racing on public roads in 1950 to both professional and amateur drivers racing at private purpose built tracks in 1959 demanded huge leaps of faith, trust and understanding. The transition was neither easy nor uneventful for drivers, clubs or track owners and the tragedy, politics and in

*A Walk Through the Valley of the Shadow of Death* AWESOME, 2015-05-30 This is about a story of a child who comes from a dysfunctional family. His discipline was so extreme and with no real help even from the God this kid depended on. So with that being the issue, in order for this child to find peace and safety for his own life, he took to the streets. This child had no idea that the streets were filled with snakes and rats. He was living as if he was burning his own self at the stake; you guessed it was a self-sacrifice if you would call it. In this book, you will find this child in numerous occasions where you might wish you were there to give him some help. But the whole time, this child has recognized a force that was present with him but yet unseen. Through the chapters of this book, you may find some inserts of theological attempts to explain some of the phenomenal events. However, it was done with the greatest attempts not to be religiously hypocritical. The story into this kid's life will take you to places and reveal some truths often not spoken of about what goes on behind the wall in juvenile incarceration. The mind of the streets and the betrayal of friends or so-called friends. It also sheds light on how being free regardless of the situation can be peaceful to some. Last but not least, you'll get to take a novice look at life beyond the veil of what is seen and spoken of by many. All the lies told by the media and other false idea of things that some only assume and have no real facts or life experience to prove it.
