**In the Light of Day** Steve Lampi,2016-05-06 We are longing to find something that will truly satisfy our hearts This longing leads us into many situations and circumstances In the end anything we give our hearts to within this world will find its end There is an eternal light that reveals our need and helps us understand those longings within us Within this light we find what will never fade away always satisfying the human soul What we desire most is love but there is only one lasting love for humanity When the sun is setting and the dark creeps in whats revealed is only a shadow of who we really are We are not fully known by others within this fleeting light and many people find themselves living in the sunsets We hope the oncoming night and passing light will reveal a bit of our beauty but hide what is perceived unacceptable or in many cases too real Our spots our imperfections have driven our entirety into hiding Its a humanity problem We hide Weve always hidden Weve found solace in the darkness but our worth is not lost and our value has not faded away We are fully known even in the darkest of nights The life we live now is vulnerable to darkness but there is no need to hide for acceptance We all have our spots we all have hurt but what remains hidden from humanity will not find shelter from the light When someone is close enough to see the struggle within and provides a way out its our opportunity to take hold of what we need and begin to trust

**The Light of a Cuban Son**

Lorenzo Chavez,2022-04-26 In this semi autobiographical novel set in mid 20th century Cuba Lorenzo Chavez reveals the moving story of a boy determined to stay true to who he is and find happiness against all odds Told in a series of first person vignettes Martin s story covers a wide swath of the Cuban landscape and people taking us from the lush greens and fertile soils of the countryside to the dark underbelly of a Havana as full of depravity as it is neon lights After suffering a series of heartbreaking abuses Martin struggles to find his way and claim his identity as a young gay man in an impoverished neighborhood When the Revolution slowly begins to claim everything Martin holds dear he takes a desperate leap of faith one that could cost him his life Martin s coming of age story is one of courage and the rebirth of a brave young man who refuses to hide his light *Into the Light* Susan P. Carswell,2012-10 This is the author s life story told in an uncommonly graphic style Severely abused as a child and continuing to be victimized as an adult Susan lived a confused double existence as a respected attorney and administrative law judge at Two World Trade Center in Manhattan and after hours as a partner with her ex husband in a drugged out violent lifestyle Her actions were a desperate attempt to block out memories that were too painful to remember let alone cope with in any effective way However Susan refused to give up and reached for what she never had and what we all need love At the mature age of fifty two Susan made Jesus her Savior and Lord and was thus born again As her relationship with the Lord matured and became more intimate a series of miracles began taking place inside and on the outside of the author For example her inside scars of abuse and powerful drug addiction were lifted from her In addition the Lord straightened Susan s curved spine from forty five degrees to approximately twenty degrees It is the author s desire to encourage all persons that it is possible to overcome even the worst of situations when one steps into the light and the love of our mighty God **Living in the Light of God'S Love** Mari Keisling,2014-07-31 Abiding may sound passive and inactive but it is the active process of stayingstaying close to Jesus focusing on Him walking with Him and living in His light If walking as He did is how our claim to live in Him is realized then we need to know what He did that we should be doing as well Jesus experienced fellowship with His disciples obeyed His heavenly Father was humble to the point of death grew in wisdom and the knowledge of Scripture and prayed always God calls each of us to different tasks places and purposes but one thing is consistent for all of us we cant do any of it or go anywhere without Him Jesus had His unique purpose in this world as do we and so just like Him we need to remain in the Father His life was a living sacrifice and it is our spiritual act of worship to live like Him As we step into Gods light it will shine truth on our livetruth that is sometimes hard to recognize hard to acknowledge and hard to live out But as we learn to live in His light He gives us clarity understanding and transforms us from the inside out We learn to walk in His light shining it wherever we go Why God loves the whole world and He loves you Everything He calls us to do according to His purpose is to show His love to the world and bring glory to Himself As you work through the disciplines of fellowship obedience humility meditation prayer and worship you will learn how to draw close to the Father follow the example of Jesus and shine His light bright for all to see **A Journey Toward The Light** Andrew
