Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sands of time;
Footprints, that perhaps another,
Sailing o'er life's solemn main,

A forlorn and shipwrecked brother,
Seeing, shall take heart again.
Let us, then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labor and to wait.

Strategies for Integrating Reading and Writing in Middle and High School Classrooms Karen D. Wood, Janis M. Harmon, 2001, *Resources in Education*, 2001-10 *Teaching EFL Learners Shadowing for Listening* Yo Hamada, 2016-07-01 Shadowing an active and highly cognitive technique for EFL listening skill development in which learners track heard speech and vocalize it simultaneously is gradually becoming recognized. However, there remain a lot of mysteries and misunderstandings about it. This book uncovers shadowing in terms of theory and practice. This book cements shadowing as a separate technique from other similar techniques such as Elicited Imitation, Mirroring, and simple repetition and provides ample empirical data to explain the function of Shadowing. It also elaborates on how Shadowing should be used in terms of materials, procedure, and learners' psychology which would aid in instructors' use of Shadowing in teaching. A guide on a method effective in improving learners' bottom-up listening skills; this book will certainly prove useful to English Language learners and instructors in their linguistic pursuits.
