

Government: The Final Study Guide

Understand how our country came to be, how the system was designed to work, how things have changed over time. After studying each chapter, consider the changes according to how important you think they are. Consider some issues that are important to you. Is there anything that is not included, perhaps it is not what you think is important, but I might agree that it is not really that important. The purpose of this document is to help you understand the system and how it has changed over time. It is not a list of facts, but a guide to help you understand the system and how it has changed over time.

1. What is the purpose of the government? To protect the rights of the people and to provide for the common good.
2. What are the powers of the government? To make laws, to execute laws, and to judge laws.
3. What are the branches of the government? Executive, Legislative, and Judicial.
4. What are the powers of the executive branch? To execute laws and to appoint and remove officers.
5. What are the powers of the legislative branch? To make laws and to appropriate money.
6. What are the powers of the judicial branch? To interpret laws and to declare laws unconstitutional.
