that he's being targeted as the new recruit for Jackson's pack. Even worse that the process of becoming a werewolf is rigorous in ways he could have never imagined. Being a werewolf sucks especially when you have no choice in the matter. Richard finds himself filled with new desires as the wolf virus begins to consume his body with lust but no matter how hard Jackson tries to control Richard he will not submit. There's something lurking in Richard's blood that makes him different from the other werewolves. Will Jackson be able to figure it out before it's too late or will the boy's awakening destroy everything he worked so hard to build.

Content warning: This is not your typical gay shifter romance. It is incredibly spicy with elements of BDSM, violence, and multiple pairings. However, this series does have an HEA ending.

Sex is inevitable but ongoing romance is much harder to arrange. So much could go wrong with the party with so many male wolves and so few females available. Aragon and Kyan are determined to bind Bianca to them before the party starts. She's just as determined not to get involved with wolves, especially since Kyan is a bossy Dom. She just wants to do her job properly and please the Alpha. But even that isn't easy because nothing is going to plan, although the men are caring and the sex is excellent. But there can never be love between their species. A Siren Erotic Romance.
