They're Doing Keith Ammann,2019-10-29 From the creator of the popular blog The Monsters Know What They re Doing comes a compilation of villainous battle plans for Dungeon Masters In the course of a Dungeons Dragons game a Dungeon Master has to make one decision after another in response to player behavior and the better the players the more unpredictable their behavior It s easy for even an experienced DM to get bogged down in on the spot decision making or to let combat devolve into a boring slugfest with enemies running directly at the player characters and biting bashing and slashing away In The Monsters Know What They re Doing Keith Ammann lightens the DM s burden by helping you understand your monsters abilities and develop battle plans before your fifth edition D D game session begins Just as soldiers don t whip out their field manuals for the first time when they re already under fire a DM shouldn t wait until the PCs have just encountered a dozen bullywugs to figure out how they advance fight and retreat Easy to read and apply The Monsters Know What They re Doing is essential reading for every DM [Crowell's Handbook for Readers and Writers](#) Henrietta
