

## My Best Holiday

Most of all I want to travel all around the world. I want to see new places and learn about different cultures. I love travelling so travelling around the whole world would be a dream come true. There are so many places I want to visit. I have been in 8 countries. One of them is England. I want to tell you about that trip, because it was a dream holiday. The trip lasted for 4 days. It was a girl trip, only me and my mum. We had to take the coast bus to Haugesund very early at the morning. We arrived Haugesund airport and took the plain to Stansted airport in London.

I was very excited and had huge expectations because I had heard a lot positive about London before. When we took the bus from the airport to the hotel, I looked at the places we drove true. The houses were different from Norway, a lot of them were made of brick. I could see already that London was a lot bigger than Stavanger. We came to a hotel, called Picadilly hotel or something, because the hotel was in a place called Picadilly circus. Me and my mum were both tired after the trip, so we decided to relax a bit this first evening.

We took the sightseeing bus and looked at all the nice buildings, and for me who is interested in culture (buildings, nature and so on) this was awesome. The bus trip lasted for about one hour. In the beginning of the trip it was light and we saw everything perfectly clear, we saw Big Ben, Buckingham Palace, and a lot of other incredible buildings. After some minutes it became a bit dark, and it was so nice to be on the sightseeing bus, it was beautiful. A lot of light from all the buildings and bridges and so on. It was really an amazing journey just to sit on that bus.

After that bus trip the clock was around nine/ten, then me and my mum walked in the streets of London and looked at the nightlife. The clock was ten and it was already so full of life in London city. So many different people, so many cool nightclubs, and so many cool stores. Of course the stores were closed that late, but we looked forward to the next day, and the day after that, to do a lot of shopping in Oxford Street! I said earlier it was a girl trip so of course we had to shop like crazy. That is one thing I connect with London, shopping! After we had seen enough of the unbelievable nightlife, we were very tired, and went back to the hotel.

We went to bed and slept as stones. The next day we woke up and ate breakfast at McDonald's actually, believe it or not. But well it is my favourite food. We took a look in the stores and we did some shopping, but we had the whole day tomorrow to shop, so we saved most of our money to the next day. This day we went to a museum called Madame Tussaud. I can't explain with words how much I liked that museum. Usually I think that museums are boring and not interesting, but this wasn't boring at all, it was really cool. A lot of famous people made of wax.

We took a lot of pictures, for example my mum took a picture of me s

self consciousness of love involve a mistake Or can we reasonably think of our love as lasting On the Temporality of Emotions argues that whereas grief and anger reasonably diminish love can rationally be conceived as endless Berislav Maru i draws on contemporary theories of the emotions especially grief and love as well as recent accounts of reasons It puts forward an account of emotional self consciousness as at once embodied and rational and maintains that accommodation reveals an irreconcilable moment in our emotional life a moment that philosophical reflection ought not seek to resolve lest our emotions are conceived as too neat and philosophy as too comforting
