Marlee thought she scored the man of her dreams only to be scorched by a bad breakup But there's a new player on the horizon and he's in a league of his own Marlee Harper is the perfect girlfriend She's definitely had enough practice by dating her NFL star boyfriend for the last ten years But when she discovers he has been tackling other women on the sly she vows to never date an athlete again There's just one problem Gavin Pope the new hotshot quarterback and a fling from the past has Marlee in his sights Gavin fights to show Marlee he's nothing like her ex Unfortunately not everyone is ready to let her escape her past The team's wives who never led the welcome wagon are not happy with Marlee's return They have only one thing on their minds taking her down But when the gossip makes Marlee public enemy number one she worries about more than just her reputation Between their own fumbles and the wicked wives it will take a Hail Mary for Marlee and Gavin's relationship to survive the season **Munsey's Magazine**, 1895 *Munsey's Magazine for ...*, 1895 *So You Call Yourself A Man* Carl Weber, 2010-08-01 Carl Weber the New York Times bestselling author of *Up to No Good* will keep you on edge with this tale of three lifelong friends James Robinson and his wife have had their rough patches But seven years into their marriage things are better than ever until James's past comes back to haunt him with a baby in tow James's best friend Brent Williams has always had women throwing themselves at him but it's taken Brent a while to find someone who wants him for the man he is on the inside His plus sized fiancée isn't his usual type but they seem like a match made in heaven until a sexy third party comes along When Sonny Harrison's wife sends him packing he's lonely until he reunites with his high school sweetheart But as his feelings for her get a little too intense Brent and James may be the only ones who can intervene But will that mean losing their friend forever Captivating and heartfelt a satisfying read The RAWSISTAZ Reviewers Major revelations and an eye raising twist will make even seen it all fans gasp Publishers Weekly Includes an excerpt from Carl Weber's new novel **Scenes From a Misbegotten Life** Victoria Maiden, 2024-08-21 What if your whole life was like a badly written play Asinine plot tedious dialogue poorly paced performance dreadful costumes Would you walk out of the theater or stay until the final curtain call hoping it would get better This is the kind of decision our protagonist must make as she grapples with and chronicles her messy and lopsided life from preadolescence to senior citizen in a captivating memoir that often reads like a novel *Scenes From a Misbegotten Life* features fascinating characters bizarre events impossible

situations even a bit of suspense It takes the reader from the crooked streets of Greenwich Village to the Greek Isles from the garish colors of Hollywood Boulevard to the ancient ruins of Rome But this book is far from fiction Rather it is a ruthlessly candid case history of a woman whose life has been marred by mental illness in various and surprising ways not only as a sufferer herself but as witness to the struggles of similarly afflicted family members and friends This is the kind of sickness that can be as plain as day but just as often is subtle insidious and invisible to outsiders Yet it plagues millions of our friends and neighbors Perhaps it is time to take it out of the closet

Scenes From a Misbegotten Life pulls back the curtain and offers a vivid glimpse of what it looks like and feels like to wrestle with this condition on a daily basis The thrill of getting her first transistor radio flipping baseball cards with the boys on the block chalking up the sidewalk to play hopscotch with the girls watching I Love Lucy and Leave It to Beaver on a black and white TV Just some of the fond recollections prized by a child of 1950s era New York City Victoria Maiden was raised in a solid working class neighborhood in the Bronx at a time when America's future looked so innocent so full of possibilities The first member of her family to attend college she looked forward to a career in publishing law or academia But Fate had other plans as painstakingly revealed in the pages of this unusual memoir Today she lives by herself less than fifteen minutes from where she grew up surrounded by books music and memories

The Thin Tear In The Fabric Of Space Douglas Trevor,2005-10-01 The Thin Tear in the Fabric of Space gathers stories about coping with grief trying to love people who have died and more broadly leaving old versions of the self behind sometimes by choice and sometimes out of necessity In each of the nine stories Douglas Trevor's characters are forced to face uncomfortable realities For Elena Gavrushnekov in the title story that means admitting after the death of her beloved that she still longs for contact with other human bodies For Peter in Central Square it is realizing that like his deceased father before him he is drinking himself to death Unable to confront his incapacitated mother and the memory of the plane crash that killed his father Edwin Morris in Saint Francis in Flint is compelled to acknowledge that his saintly aspirations are not what they appear to be while Sharon Mackaney in The Surprising Weight of the Body's Organs struggles with uncontrollable outbursts of rage in the wake of her young son's death In moments of great pain and loss when self expression seems impossible and terribly useless the characters in these stories nonetheless discover the tenderness of others In The River the narrator finds that the friendship he has forged with a French girl with whom he can only just communicate has bred intense almost intuitive compassion while in Fellowship of the Bereaved the disconsolate brother of the deceased sister who occupies the empty center of the story uncovers not only anger in his parents but also empathy and humor As these characters persevere in their own lives they do so mindful of and humanized by the experiences of having seen people they know and love slip unexpectedly into the thin tear in the fabric of space that quiet chasm that so resolutely separates the living from the dead
