*The Story of Scraggles* George Wharton James, 2022-06-02 *The Story of Scraggles* by George Wharton James is a story about a little bird that would have died on its own if not taken by the author Their beautiful relationship is narrated majorly from the bird's point of view Overall it is in parts funny sad and a beautiful story Excerpt I was only a little baby song sparrow and from the moment I came out of my shell everybody knew there was something the matter with me I don't know what it could have been for my brother and sister were well and strong Perhaps I was out of the first egg that was laid and a severe spell of cold had come and partially frozen me or a storm had shaken the bough in which our nest was so that I was partly addled Anyhow no matter what caused it there was no denying the fact that when I was born I was an ailing little bird and this made both my father and mother very cross with me I couldn't help being so weak and they might have been kinder to me but when the other eggs were hatched out and my brother and sister were born nobody seemed to care for me anymore

Where Poetry Meets Girl Ansel q Brown,2011-12-09 We live in a world that has lost its sensitivity Its need for touch with meaning Love is now essentially a primitive theme shrouded in many layers of modernity Likewise this ancient form of soulful expression we call poetry ails to find a home in the hearts and mind of the true lover of words now an increasingly rare phenomenon This book was conceived with the aim of resuscitating both species love of writing and simply love This collection is a timeless portrait of a universal theme A bold poetic leap that encompasses the differing and comparative types of love

The Legend of Yuck Man Smarak Swain,2015-08-10 Not many years ago the city was shaken by heinous crimes of all sorts The mysterious attacker scarred the survivors and scared the commoners and government alike with his blatant and outrageous acts He killed at random committed sexual violence and kidnapped young women mostly in crowded public places like restaurants discotheques and shopping malls Yet this person remains a mystery All that the eyewitnesses can say is that this monster looked ugly smelt repugnant and was generally loathsome They swear that this individual had superhuman powers The Legend of Yuckman narrates the incredible story of this monster It is a story of conflicts between greed and hunger pollution and purity belief and science morality and indulgence and above all between a man and his demons

**Other Voices** Tony Blenman,2016-03-31 Born in Barbados to a poor black family bordering a major sugar cane plantation Tony Blenman immigrated to Canada in 1969 All he wanted was to be treated as a decent human being worthy of love and respect Instead he experienced multiple traumas in the form of sexual abuse by two siblings and a person in the community physical abuse by his mother and emotional abuse by his mother and others in the community

including more than one teacher who thought children learned through being beaten As a child he witnessed violence and abuse in his home in the behaviour of others and at school A devout Christian who knew the difference between right and wrong he was constantly called a liar and beaten for telling the truth He survived a mother who was herself physically abused as a child Through it all he nurtured the light of his faith his dreams of escaping poverty and abuse and finding a new life new hope and new purpose in Canada Other Voices is one man s journey to a life of hope love faith and perseverance in the face of sometimes overwhelming adversity It tells the story of the many voices that shaped his life for better or for worse It is a testament to the strength of the human spirit and its potential to understand forgive and paying good forward to those who need a helping hand in their healing Other Voices will touch your heart and soul and sometimes your funny bone with its wise observations on the human condition and its call to treat our children with love and respect to end the cycle of multi generational family violence [www.tonyasblenman.com](http://www.tonyasblenman.com) *The Critic* Jeannette Leonard Gilder, Joseph Benson Gilder, 1896
