Carol Maier

Eleven English Edition:

Eliot's Dark Angel Ronald Schuchard, 2001 Schuchard's critical study shows how Eliot's personal voice works through the sordid the bawdy the blasphemous and the horrific to create a moral world and the only theory of moral criticism in English literature The book also erodes conventional attitudes toward Eliot's intellectual and spiritual development **Modernist Writers and the Marketplace** Warren Chernaik, Warwick Gould, Ian Willison, 1996-06-12 Modernist Writers and the Marketplace is a new research level collection devoted to an exciting area in the history of the book Focusing on Henry James W B Yeats Joseph Conrad D H Lawrence Virginia Woolf T S Eliot James Joyce Ezra Pound Wyndham Lewis and the culture of the little magazine of the period eleven contributors from six countries demonstrate new developments in the sociology of texts the practice of literary biography and textual criticism Joseph Conrad David J. Supino, 2022-08-13 David J Supino traces in unprecedented detail the lineaments of Joseph Conrad's authorial career and the fortunes and misfortunes of his publishers on both sides of the Atlantic This work is a model of the integrative scholarly method combining close bibliographical scrutiny of particular textual artifacts with archival recovery of book historical information in as much detail as the surviving documents allow The book is essential reading not only for students of Conrad but also for all those who wish to understand the publishing history of this era **Hymns Ancient and Modern**, 1909 The American Law Journal, 1849 Evaluation and Translation Carol Maier, 2014-04-23 The definition of value or quality with respect to work in translation has historically been a particularly vexed issue Today however the growing demand for translations in such fields as technology and business and the increased scrutiny of translators work by scholars in many disciplines is giving rise to a need for more nuanced more specialized and more explicit methods of determining value Some refer to this determination as evaluation others use the term assessment Either way the question is one of measurement and judgement which are always unavoidably subjective and frequently rest on criteria that are not overtly expressed This means that devising more complex evaluative practices involves not only quantitative techniques but also an exploration of the attitudes preferences or individual values on which criteria are established Intended as an interrogation and a critique that can serve to prompt a more thorough and open consideration of evaluative criteria this special issue of The Translator offers examinations of diverse evaluative practices and contains both empirical and hermeneutic work Topics addressed include the evaluation of student translations using more up to date and positive methods such as those employed in corpus studies the translation of non standard language translation into the second language terminology the application of theoretical criteria to practice a social textual perspective and the reviewing of literary translations in the press In addition reviews by a number of literary translators discuss specific translations both into and out of English **The Irish Franciscans in Prague 1629-1786** Jan Pařez, Hedvika Kuchařová, 2015-03-01 At the end of the sixteenth century Queen Elizabeth I forced the Irish Franciscans into exile Of the four continental provinces to which the Irish Franciscans fled the Prague Franciscan College of the Immaculate

Conception of the Virgin Mary was the largest in its time This monograph documents this intense point of contact between two small European lands Ireland and Bohemia The Irish exiles changed the course of Bohemian history in significant ways both positive the Irish students and teachers of medicine who contributed to Bohemia s culture and sciences and negative the Irish officers who participated in the murder of Albrecht of Vald tejn and their successors who served in the Imperial forces Dealing with a hitherto largely neglected theme Parez and Kucharov attempt to place the Franciscan College within Bohemian history and to document the activities of its members This wealth of historical material from the Czech archives presented in English for the first time will be of great aid for international researchers particularly those interested in Bohemia or the Irish diaspora **Our Day** Joseph Cook, Hazlitt Alva Cuppy, 1890 *My Book About God* Rashid Ahmad Chaudhry, 2024-03-12 The Concept of God in Islam is explained in a simple manner in this booklet Why should we believe in God and how can one be certain about His existence What does He look like How can we please Him Why do we address Him as He and not She Why are innocent people killed in natural disasters The booklet answers these and many more questions set in an everyday home environment where children ask questions freely to their elders *The Lawyer's Reference Manual of Law Books and Citations* Charles C. Soule, 1883
