File's unique lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills. *Language Functions Revisited* Anthony Green, 2012-05-03. The English Profile Programme is an elaboration of the performance level descriptions of the Common European Framework of Reference for Languages (CEFR) that is concerned specifically with the English language. The CEFR has become influential in building a shared understanding of performance levels for foreign language learners. However, there is a considerable gap between the broad descriptions of levels provided, which covers a range of languages and learning contexts, and the level of detail required for applications such as syllabus or test design, which this volume addresses. With its combination of theoretical insights and practical advice, this is a useful work for academics, policy makers, curriculum designers, textbook writers, postgraduate students, and examination board staff. *The British National Bibliography* Arthur James Wells, 2009. *Higher Education*, 1949. *English File Intermediate* Clive Oxenden, Christina Latham-Koenig, 2014-04-17.
