Fundamentals of Abnormal Psychology, 6th Ed Ronald J. Comer, 2011

Fundamentals of Abnormal Psychology Student Workbook Ronald J. Comer, 2007-03-23 The Workbook actively involves students in the text material using a variety of engaging exercises and self tests It helps students organize their studies take better notes identify areas for improvement and be better prepared for examinations

Essentials of Clinical Psychology S. K. Mangal, Shubhra Mangal, 2023-07-26 *Essentials of Clinical Psychology* An Indian Perspective offers a comprehensive user friendly introduction to the theory and practice of clinical psychology within an Indian cultural social and educational context The book starts with an introduction of what Clinical Psychology is and what it looks like in practice giving a review of its history and contemporary traditions with an essential emphasis on its development from both a global as well as the Indian perspective The following chapters cover a range of topics such as research methods mental health and hygiene and clinical psychology functions and training The second half of the book then focuses on the classification of mental disorders for knowledge in diagnosing and treating patients with chapters devoted to the description of various types of behavioral and mental disorders appearing in the Diagnostic and Statistical Manual of Mental Disorders DSM and the International Classification of Diseases ICD Disorders examined include eating disorders sleep disorders degenerative disorders psychotic disorders and neurodevelopmental disorders Each chapter ends with chapter summaries review questions and recommended readings Each chapter has its sectionwise summaries and ends with review questions and cited references This textbook will serve as a must have reference for all undergraduate and postgraduate students interested in Clinical Psychology as well as for candidates selecting Psychology as their optional paper in competitive examinations The book is designed according to Indian university course syllabi but also provides a guide to anyone looking to understand the current state of study and practice within Indian Clinical Psychology

The Melanin Millennium Ronald E. Hall, 2012-09-14 In the aftermath of the 60s Black is Beautiful movement and publication of *The Color Complex* almost thirty years later the issue of skin color has mushroomed onto the world stage of social science Such visibility has inspired publication of *The Melanin Millennium* for insuring that the discourse on skin color meet the highest standards of accuracy and objective investigation This volume addresses the issue of skin color in a worldwide context A virtual visit to countries that have witnessed a huge rise in the use of skin whitening products and facial feature surgeries aiming for a more Caucasian like appearance will be taken into account The book also addresses the question of whether using the laws has helped to redress injustices of skin color discrimination or only further promoted recognition of its divisiveness among people of color and Whites *The Melanin*

Millennium has to do with now and the future In the 20th century science including eugenics was given to and dominated by discussions of race category Heretofore there remain social scientists and other relative to the issue of skin color loyal to race discourse However in their interpretation and analysis of social phenomena the world has moved on Thus while race dominated the 20th century the 21st century will emerge as a global community dominated by skin color and making it the melanin millennium **LIFE SPAN DEVELOPMENT PSYCHOLOGY** MANGAL, S. K.,MANGAL, SHUBHRA,2025-07-01

Written in a simple user friendly style the textbook provides a useful discussion for gaining essential insight into the development of human beings right from their conception till death across the entire life span and age periods Besides it has exclusively devoted three chapters for providing a detailed account of the theories governing human development happenings at the time of death and dying and age specific developmental disorders The coverage of the topics is rich enough and comprehensive for meeting the needs of the diverse audience of Psychology and Home Science to those appearing in the various State and All India competitive examinations It also serves as a reference text and practice book for those who need to apply the theory and practice of development psychology in their professional such as nurses child specialists and other health profession guidance and counsellors parents teachers and educational planners social workers and public welfare departments and agencies **KEY FEATURES** Provides a comprehensive and useful coverage of the topics aligning to the latest curriculum Organised in a coherent and systematic manner to gain insight into the entire life span of human beings Adequately illustrated with the examples figures and tables to support discussions in each chapter Makes deliberate attempt to clarify the terms and concepts through their brief description as box items Provides chapter end summary for quick glance and recapitulation **TARGET AUDIENCE** B A Psychology M A Psychology B Sc Home Science
