 Quintessential Instructions is a seminal fourteenth century Tibetan text on the nature of reality The author Dol bo ba Shay  
 rap gyel tsen was one of the most influential figures of that dynamic period of doctrinal formulation and his text is a  
 sustained argument about the buddha nature also called the matrix of one gone thus Dol bo ba recognizes two important  
 types of emptiness self emptiness and other emptiness and shows how other emptiness is the actual ultimate truth He  
 justifies this controversial formulation by arguing that it was the favored system of all the early outstanding figures of the  
 great vehicle and by showing how important these doctrines were in India The translator's introduction includes a short  
 biography of Dol bo ba and an exposition of nine focal topics in his religious philosophy BOOK JACKET     **Night Club &
