

Guide to Writing a Basic Essay

Use this Sample Basic Essay as a Model

The essay below demonstrates the principles of writing a basic essay. The different parts of the essay have been labelled. The thesis statement is in bold, the topic sentences are in italics, and each main point is underlined. When you write your own essay, of course, you will not need to mark these parts of the essay unless your teacher has asked you to do so. They are marked here just so that you can more easily identify them.

"A dog is man's best friend." That common saying may contain some truth, but dogs are not the only animal friend whose companionship people enjoy. For many people, a cat is their best friend. Despite what dog lovers may believe, cats make excellent housepets as they are good companions, they are civilized members of the household, and they are easy to care for.

In the first place, people enjoy the companionship of cats. Many cats are affectionate. They will curl up on our laps or be petted or scratched under the chin. Some cats even purr. Others like to sit on our laps. Cats also make good pets because they have no teeth, claws, or fangs. In fact, some cats are so gentle that they can be used as therapy animals.

As the second phase, we are involved in matters of the household. Ladies shop, take the car to the garage, collect mail, etc. When we do not have time, we often have a good dinner. I am a good cook. I am a good mother. I am a good wife. I am a good daughter. I am a good friend. I am a good neighbor. I am a good citizen. I am a good person. I am a good human being. I am a good creature. I am a good thing. I am a good idea. I am a good plan. I am a good project. I am a good goal. I am a good dream. I am a good hope. I am a good wish. I am a good prayer. I am a good thought. I am a good feeling. I am a good action. I am a good deed. I am a good work. I am a good service. I am a good gift. I am a good love. I am a good life. I am a good death. I am a good everything. I am a good nothing. I am a good everything and nothing.
