How did Puerto Ricoans feel about U.S. control?

Puerto Rico's incorporation as American territory was one of the Spanish-American War. American forces landed in Puerto Rico in July, 1898. The commanding officer ordered that the Americans were there to protect the Puerto Ricans, that other U.S. military officers treated the Puerto Ricans. They spoke and acted as children and not like as their political freedom. Many Puerto Ricans

tried to force the military government, in 1900, Congress passed the Foraker Act which ended military rule and set up a provisional government.

The United States kept total control over the people and their government. In 1907, however, Congress made Puerto Rico a U.S. colony.

1. Why did some Puerto Ricans want U.S. control of their government?

Puerto Ricans wanted U.S. control of their government because they wanted to be Americans and participate in the great progress of America.
