The typical study groups include finance committees, stewardship teams, foundation boards, and finance-related staff teams. The study is also recommended for continuing education of pastors and other church leaders. A copy of the main book God vs Money ISBN 9781501868115 is required for each participant, and a copy of the DVD ISBN 9781501891571 is required for each group. Prior to each group session, participants should read a section of the book. Sessions start with a 7-10 minute video featuring Clif Christopher. Using the Guide, participants complete a variety of activities focused on application of key points from the prescribed reading. This may include discussion questions, personal reflection, group problem-solving activities, and other actions. The Guide serves as a workbook, giving each participant a place to record their thoughts and insights from the group and to plan next steps.
