Webster, William Adolphus Wheeler, 1880 **The Great Escape** David Levister, 2010-10 In the beginning when Adam disobeyed the mandate of God he fell from the lofty heights of the heavens He lost his keen awareness of God and ceased to operate in the higher realm of the kingdom Adam then became prisoner to the limited realm of earth and its restrictions but God had a plan for the redemption of man and the restoration of his dominion on the earth God's plan for man was THE MAN Christ Jesus Jesus came into the world to raise all men from the dust of circumstance into the glorious liberty of the Spirit of God Jesus came to open the eyes of man's understanding that all might know the hope of God's call and the riches of His inheritance in the saints Jesus came to free every man from the spiritual chains of fear guilt and condemnation Jesus came to free man from the demands of the law Jesus came to liberate man from the island of the five senses into the unbounded glory of the heavens The revelation of Jesus and His finished work IS The Great Escape from every form of death and corruption

Minor,2022-08-01 The idea that a flesh and blood person can have a conversation with God who is Spirit can present a variety of misconceptions as well as a whole lot of doubt While believers are taught to communicate with God through prayer the fact is that some folks can go a lifetime thinking of prayer as a one sided conversation His Familiar Voice provides testimony of God s ongoing conversation with us as we become more and more aware of who He is and how He works in our lives The realization that God communicates with us in all situations using all our senses can open up avenues to a deeper relationship with the Lord and an enhanced awareness of who we are as children of God By developing a pattern of ongoing conversation with the Lord we learn to recognize His voice and find it ready comfort and trusted guidance in every situation **A High-school Dictionary of the English Language Explanatory, Pronouncing, and Synonymous** Noah Webster,William Greenleaf Webster,William Adolphus Wheeler,1873
