Impressive performance

Enjoy crisp, clear, high-resolution onscreen presentation from the 1000:1 contrast ratio and bright 300-nit screen.

¹ Additional features include: improved cable management: route cables cleanly down the sides and behind the monitor; power button disable: disable the power button to prevent users from turning off the monitor, if desired; power LED on/off control: disable the green power light on the front to minimize distractions; OSD menu rotation: rotate the menu into portrait orientation; set refresh: automatically optimize settings; HP Display Assistant: enable theft deterrence and adjust the display image through software using a mouse instead of the onscreen display (OSD) and manual controls.

The head-only swivel lets you move the monitor panel left to right independent of turning the whole base. The special low-point design feature of the height adjustable stand allows positioning of the monitor's lower bezel close to the desk or docking station for users who prefer a low-sitting screen.

Enjoy peace of mind

The HP L1945wv monitor is fully tested and qualified for out-of-the-box functionality and compatibility with HP notebooks, desktops, thin clients, and workstations. The three-year limited warranty is backed by HP service and support from 65,000 IT service and support professionals in 160 countries around the world.
