

Conceptual Chemistry

Fourth Edition

John Suchocki

The book cover features a photograph of a serene winter scene. In the foreground, a body of water is partially frozen, with snow-covered rocks visible beneath the ice. The middle ground is filled with a dense forest of evergreen trees heavily laden with snow. In the background, rugged, snow-dusted mountains rise against a clear, pale blue sky. The bottom portion of the cover is overlaid with a semi-transparent blue band containing a pattern of white and grey spheres, resembling a molecular model or a microscopic view of a material.
