Copyright Office,1977 **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress. Copyright Office,1978 **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Wherein the Copyright Has Been Completed by the Deposit of Two Copies in the Office** Library of Congress. Copyright Office,1919 *Experimental Psychology* Donald K. Freedheim,2003 **With Amusement for All** LeRoy Ashby,2006-05-12 With Amusement for All is a sweeping interpretative history of American popular culture Providing deep insights into various individuals events and movements LeRoy Ashby explores the development and influence of popular culture from minstrel shows to hip hop from the penny press to pulp magazines from the NBA to NASCAR and much in between By placing the evolution of popular amusement in historical context Ashby illuminates the complex ways in which popular culture both reflects and transforms American society He demonstrates a recurring pattern in democratic culture by showing how groups and individuals on the cultural and social periphery have profoundly altered the nature of mainstream entertainment The mainstream has repeatedly co opted and sanitized marginal trends in a process that continues to shift the limits of acceptability Ashby describes how social control and notions of public morality often vie with the bold erotic and sensational as entrepreneurs finesse the vagaries of the market and shape public appetites Ashby argues that popular culture is indeed a democratic art as it entertains the masses provides opportunities for powerless and disadvantaged individuals to succeed and responds to changing public hopes fears and desires However it has also served to reinforce prejudices leading to discrimination and violence Accordingly the study of popular culture reveals the often dubious contours of the American dream With Amusement for All never loses sight of pop culture s primary goal the buying and selling of fun Ironically although popular culture has drawn an enormous variety of amusements from grassroots origins the biggest winners are most often sprawling corporations with little connection to a movement s original innovators *Complete Concordance to Miscellaneous Writings* Albert Francis Conant,1915 *Complete Concordance to Miscellaneous Writings* ,1915 The Failure of Evangelical Mental Health Care John Weaver,2014-11-26 In the evangelical community a variety of alternative mental health treatments deliverance exorcism biblical counseling reparative therapy and many others have been proposed for the treatment of mentally ill female and LGBT evangelicals This book traces the history of these methods focusing on the major proponents of each therapeutic system while also examining mainstream evangelical psychology The author concludes that in the majority of cases mental disorders are blamed on two main issues sin and demonic possession oppression and that as a result some communities have become a mental health underclass who are ill served or oppressed by both alternative

and mainstream evangelical therapeutic systems He argues that the only recourse left for mentally ill female and LGBT evangelicals is to rally for reform and increased accountability for both professional and alternative evangelical practitioners

Research Methods in Anthropology H. Russell Bernard,2011-04-16

Research Methods in Anthropology is the standard textbook for methods classes in anthropology Written in Russ BernardOs unmistakable conversational style his guide has launched tens of thousands of students into the fieldwork enterprise with a combination of rigorous methodology wry humor and commonsense advice Whether you are coming from a scientific interpretive or applied anthropological tradition you will learn field methods from the best guide in both qualitative and quantitative methods

A Sensory History Manifesto Mark M. Smith,2021-05-10 A Sensory History Manifesto is a brief and timely meditation on the state of the field It invites historians who are unfamiliar with sensory history to adopt some of its insights and practices and it urges current practitioners to think in new ways about writing histories of the senses Starting from the premise that the sensorium is a historical formation Mark M Smith traces the origins of historical work on the senses long before the emergence of the field now called sensory history interrogating exploring and in some cases recovering pioneering work on the topic Smith argues that we are at an important moment in the writing of the history of the senses and he explains the potential that this field holds for the study of history generally In addition to highlighting the strengths of current work in sensory history Smith also identifies some of its shortcomings If sensory history provides historians of all persuasions times and places a useful and incisive way to write about the past it also challenges current practitioners to think more carefully about the historicity of the senses and the desirability even the urgency of engaged and sustained debate among themselves In this way A Sensory History Manifesto invites scholars to think about how their field needs to evolve if the real interpretive dividends of sensory history are to be realized Concise and convincing A Sensory History Manifesto is a must read for historians of all specializations
