Chronological Bible Reading Guide Jane Becker Weathers, 2020-12-02 Chronological Bible Reading Guide presents the arrangement of events recorded in the Bible in sequential order to help us better understand how time flows through and joins or occasionally separates these sixty six individual books When seen in context with the historical political and religious settings we can better understand the different lessons told in different styles and literary forms including poetry prophecy and epistles as they are intertwined with history These readings are grouped by chapter and while this does not provide a perfect chronology if that is even possible it comes fairly close and helps retain some of the original authors flow when switching between books The daily readings provide a guide through the entire Protestant canon in one calendar year Or read at your own rate through God s word of truth This guide is the result of more than a decade of personal study in Biblical history and fine tuning the daily readings to maintain a consistent reading time Invest 10 15 minutes a day to increase your faith and understanding of Scripture Faith comes from what is heard and what is heard comes through the message about Christ Romans 10 17 The word of God is more desirable than gold than an abundance of pure gold and sweeter than honey which comes from the honeycomb Psalm 19 10 *Imagine You Walked with Jesus* Jerry Windley-Daoust, 2021-12-14 Contemplative or imaginative prayer is a method of meditative prayer developed by Saint Ignatius of Loyola in which you imagine yourself as a character in a Bible story experiencing the events described in the passage as if you were actually there In *Imagine You Walked with Jesus* you ll be introduced to contemplative prayer through forty episodes from the Gospels Each entry includes A brief introduction to the Bible text with vivid details to aid your imagination and place the text in a larger interpretative context An introductory prayer The full text of the Bible passage Journaling prompts As you prayerfully immerse yourself in the Bible passages in this book you ll be invited to draw on your imagination to rewrite the story from your own perspective what you saw and heard your feelings and emotions and how you interacted with Jesus and the other people present in the story Saint Ignatius taught that the imagination can be an instrument of prayer By imagining how we would respond to a particular biblical episode we can respond to God s word in a deeper more meaningful way and perhaps hear what God has to say to us too ABOUT THE AUTHOR Jerry Windley Daoust is the author of more than a dozen books on Catholic social teaching family spirituality and Ignatian prayer The cofounder of Gracewatch Media which creates print and digital resources for Catholic families he is especially grateful for the ten years he spent as a stay at home dad for his five children Find him online at windhovering com
