Benati, 2015-11-26 The new edition of Key Terms in Second Language Acquisition defines the key terminology within second language acquisition and also provides accessible summaries of the key issues within this complex area of study The final section presents a list of key readings in second language acquisition that signposts the reader towards classic articles and also provides a springboard to further study The whole book has been updated and expanded to take into account a wider range of theories and developments since the first edition It remains at the top of its game The text is accessibly written with complicated terms and concepts explained in an easy to understand way Key Terms in Second Language Acquisition is an essential resource for students

International Organizations and Research Methods Fanny Badache, Leah R. Kimber, Lucile Maertens, 2023-08-24 Scholars have studied international organizations IOs in many disciplines thus generating important theoretical developments Yet a proper assessment and a

broad discussion of the methods used to research these organizations are lacking Which methods are being used to study IOs and in what ways Do we need a specific methodology applied to the case of IOs What are the concrete methodological challenges when doing research on IOs International Organizations and Research Methods An Introduction compiles an inventory of the methods developed in the study of IOs under the five headings of Observing Interviewing Documenting Measuring and Combining It does not reconcile diverging views on the purpose and meaning of IO scholarship but creates a space for scholars and students embedded in different academic traditions to reflect on methodological choices and the way they impact knowledge production on IOs *Discourse and Political Culture* Michael Kranert, 2019-10-15 This book presents a new approach to comparative politico linguistic discourse analysis It takes a transdisciplinary stance and combines analytical tools from linguistic discourse analysis keywords metaphors argumentation genre and political science political culture comparative politics ideologies It is comprehensive in its introduction of approaches from the German tradition of politico linguistics This tradition has not thus far been accessible to a non German speaking readership and hence the volume adds insights into the mechanics of political discourse from a diverse set of viewpoints The book analyses the modernisation discourses in social democratic parties in Britain and Germany between 1994 and 2003 a project that was named Third Way It demonstrates how political language and political culture are related and how politicians will adapt a global ideology to local political circumstances in order to convince the electorate At the same time the book presents new insights into the German political culture and the version of Third Way discourses in the Social Democratic Party of Germany SPD under the leadership of Gerhard Schröder which have played a key role in shaping current political discourse in Germany It concludes with a model for the study of political discourse which makes the work relevant to scholars in Social Sciences and beyond

Conflict and Enmity in the Asaph Psalms David Cameron Ray, 2023-10-09 David Ray examines the extent to which the Asaph Psalms constitute a coherent collection through its ubiquitous motif of conflict A binary relational model and semantic roles at discourse level are used to uncover underlying power dynamics in the text Initially presenting a supposedly innocent collective as fixated on the presence of its opponent while God is perceived as absent the psalmists then focus on the failure of different generations to adhere to covenant obligations crystallised in divine judgment The Asaph Psalms closes with a sapiential outcome wherein the collective expresses dependence on God anticipating divine intervention against God's own ingathered heavenly and earthly opponents Ray configures a pattern of conflicts consistent with Deuteronomistic informed pastoral teaching namely to follow God's ways recognise complicity in suffering and place complete trust in the warrior judge God **Discourse Topics** Richard Watson Todd, 2016-11-24 Discourse topics are a frequently mentioned but rarely operationalised concept in linguistics Taking a text linguistic approach and defining discourse topics as clusterings of concepts this book examines and compares methods for investigating topic boundaries topic identification and topic development The first book to be devoted to topics in extended discourse *Discourse Topics* examines topics in several genres

and generates new insights into the nature of discourse topics that challenge the status quo It is essential reading for researchers in linguistics discourse analysis natural language processing and psychology whose work concerns topics
