Standardizing

Standardizing

These marking guidelines are prepared for use by examiners and test administrators, all of whom are required to attend a standardization meeting to ensure that the guidelines are consistently interpreted and applied in the marking of candidates' scripts.

The IEB will not accept any objections or correspondence about any marking guidelines. It is acknowledged that there may be different views about some matters of emphasis or detail in the guidelines. It is also recognized that, without the benefit of attendance at a standardization meeting, there may be different interpretations of the application of the marking guidelines.
