Connecting Language and Disciplinary Knowledge in English for Specific Purposes Alissa J. Hartig, 2017-08-11
How are language and disciplinary knowledge connected in the English for Legal Purposes ELP classroom and how far should ELP practitioners go in supporting students acquisition of the conceptual frameworks that shape the genres they are learning This book presents a pedagogical model for incorporating these conceptual frameworks into disciplinary language instruction and follows four focal participants as they learn to read and write new genres in a second language and disciplinary culture By examining not just students written texts but also their reading practices and interactions in class and in tutoring sessions the book traces the ways in which disciplinary knowledge and language interact as students develop academic literacy in a new disciplinary community Throughout the book the discipline of law is used as a lens for examining broader connections between language culture and disciplinary knowledge and their relevance for English for Specific Purposes and writing in the disciplines

Responses to the 'Arabellions' Tanja Börzel, Assem Dandashly, Thomas Risse, 2017-10-02 This book studies the reactions by external actors including the European Union to the events unfolding in the Arab world beginning in December 2010 In particular contributors look at external actors attempts to balance their desire for stability with their normative principles toward human rights and democracy The book compares the action and inaction of the EU with other international and regional players including the United States Russia Turkey and Israel and assesses the response of these actors to the Arabellions events analysing changes in their approaches to the Arab region The contributions to this book answer three questions 1 How have external actors assessed the Arabellions and what role did they see for themselves in this context 2 Which goals and instruments did external actors pursue toward the MENA region In particular how did they deal with conflicting goals such as support for human rights and democracy on the one hand and concerns about security and stability on the other 3 How can we explain the varying responses of external actors to the Arabellions This book was published as a special issue of the Journal of European Integration
