

A competitive strategy is an action plan for the long-term that an organization creates to get a competitive advantage over other competing companies. A company will observe the weaknesses and strengths of its competitors and compare with their own. From this, they formulate strategies that can attract customers, cement the market position of the company and help the company withstand pressures of the market.

Competitive strategies have to be put in place for any business to succeed and survive. Markets are characterized by having many substitute options for the consumers. In the case of Amazon, it differentiates itself from its competitors through its high abilities to adapt. The company can offer a variety of products at rather low prices. It gives them a competitive advantage.

Amazon uses cost-leadership competitive strategies to win or protect it from the competition. Amazon is among some of the largest companies in the world. The company is thorough in its distribution, purchasing, and manufacturing. Through this, they can spot market gaps and opportunities where they can become big by offering the best prices and manage their costs. This strategy enables them to fight off other companies which don't have enough resources to use their resources to achieve the least value for their products.

Amazon primary focus was selling books; the company has expanded to other opportunities over time. Through Amazon, you can purchase any item or product and get a door to door delivery in the shortest time possible. The company prioritizes convenience at very high standards, and this quality has contributed profoundly to their success. They handle their
