Ishikawa, John Maketa, 2011-06-13 If you can change the way you think you can change the world That s the theme of Now
You re Thinking as it tells the story of how a 2 year old Iraqi girl s life was saved through determination courage and critical
thinking The book begins with the heroic story of how a Marine battalion beat the odds to save this little girl and ends with a
model of critical thinking that will help you STOP and THINK to recognize your emotions evaluate arguments and draw
conclusions to make better life decisions This book also provides the opportunity for you to take the My Thinking Styles
assessment for free to learn your natural thinking preferences strengths and biases This short read will give you a real life
example of great thinking plus tons of resources to guide your further interest in effective thinking [Nine Practices of 21st
Century Leadership](#) Gary DePaul, 2022-07-22 Near the end of the 20th Century the leadership concept radically evolved away
from the traditional concept of accomplishing work through others Unfortunately too many professionals unconsciously still
have faulty traditional assumptions that can get them their teams and their organizations in trouble The author has

researched the evolution of leadership and summarizes seven contemporary principles twenty six underlying leadership beliefs and nine crucial practices of 21st Century Leadership While too many leadership books focus on qualities DePaul explains specific behaviors for practicing leadership The second edition includes new research about leadership and leadership development With the pandemic organizations have had to rely more on effective leadership to build high performing teams often at a distance Training departments have had to radically update how they develop employees at all levels and executive coaches have transitioned to virtual client support With all these environmental changes as well as new social pressures on organizations to embrace diversity equity and inclusion organizations need to change how they lead and avoid allowing their culture to develop by chance

Leading at the Strategic Level in an Uncertain World James William Browning, 2013 The fundamental nature of a leader's work changes at the strategic level Leaders currently working as strategic leaders or those aspiring to become strategic leaders must gain a fine appreciation for the effort and skills required at the strategic level Moreover they need to develop and hone their personal dimensions including conceptual social and behavioral capacities individual traits attitudes and characteristics and technical skills and business acumen and acquire the new knowledge essential for success at the strategic level This book is intended to help develop strategic leaders in each of these personal dimensions
