**Dark Souls : Beyond the Grave - Volume 1** Damien Mecheri, Sylvain Romieu, 2019-02-19 Story of a saga video games If the Dark Souls series managed to seduce players and journalists it was mainly by word of mouth It was such a great success that Dark Souls 2 was named Game of the Year 2014 by the vast majority of gaming magazines and websites To date this saga is one of the most important in the gaming industry The odd thing is that these games are well known for their difficulty and their cryptic universe This publication narrates the epic success story but also describes its gameplay mechanics and its specific lore across more than 300 pages Characters plots and the scenario of the three Souls Demon s Souls Dark Souls and Dark Souls II are deciphered by Damien Mecheri and Sylvain Romieu who spent a long year studying these dense and enigmatic games down to the smallest detail The serie Dark Souls and her spiritual father Demon s Souls will not have secrets for you anymore

**EXTRACT** In May 2014 Hidetaka Miyazaki succeeded Naotoshi Zin as president of FromSoftware after the studio was purchased by Kadokawa Shoten This was a highly significant promotion for the person who had led the company s most successful project Dark Souls And yet he did not lose from view what had attracted him to the field an insatiable creative drive In spite of his new status within the studio one of the conditions he requested and was granted was to remain creative director of his new project Bloodborne This allowed him to successfully design this spiritual successor to the first Souls game while also assuming his new responsibilities Given his drive to work and create it is not surprising how quickly Miyazaki moved up through the ranks
