How I Learned To Drive Script:

How I Learned to Drive Paula Vogel, 1997 Chronicles the relationship between Li'l Bit and Uncle Peck through a series of flashbacks as it progresses from friendship to something darker during a series of driving lessons *How I Learned to Drive* (Stand-Alone TCG Edition) Paula Vogel, 2018-04-24 As I try to come to grips with the lack of control I have in terms of my own visibility and commercial success within the American Theater I remain convinced that I have control in terms of how I see my identity *How I Learned to Drive* gave me that gift It felt as if the play was rewriting me and I will always remember the sensation of lightness I had in the middle of the night as I wrote it This is the gift of theater and of writing a transubstantiation of pain and secrecy into light into community into understanding if not acceptance Paula Vogel from her Preface Winner of the Pulitzer Prize for Drama Paula Vogel's *How I Learned to Drive* is widely recognized as a masterpiece of contemporary drama It is published here for the first time as a stand alone edition Paula Vogel is the author of *Indecent* *The Baltimore Waltz* *The Long Christmas Ride Home* *Don Juan Comes Home from Iraq* and *A Civil War Christmas* among many other plays She has held a distinguished career as a teacher and mentor to young playwrights first at Brown University and then at the Yale School of Drama *A Study Guide for Paula Vogel's "How I Learned to Drive"* Gale, Cengage Learning, 2016 A Study Guide for Paula Vogel's *How I Learned to Drive* excerpted from Gale's acclaimed *Drama For Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Drama For Students* for all of your research needs **The Playwright at Work** Rosemarie Tichler, Barry Jay Kaplan, 2012-06-30 Rosemarie Tichler and Barry Jay Kaplan take us behind the scenes in conversations with thirteen of today's most distinguished playwrights including Tony Kushner John Guare Wallace Shawn Suzan Lori Parks David Henry Hwang and Sarah Ruhl To familiarize the reader with the world of each playwright Tichler and Kaplan introduce us to the environments in which the work happens conducting their interviews in the playwright's home a dark theater or a coffee shop Topics of conversation range from the playwrights' earliest memories of the theater to finding their unique voices and from their working relationships with directors actors and designers to their involvement in the purely commercial aspects of their profession Taken together these conversations constitute a collectively taught master class in the art and craft of writing for the stage *How Good is David Mamet, Anyway?* John Heilpern, 2013-12-16 First Published in 2000 Why do we go to the theater There's a question Or put it this way Why oh why do we go to the theater If we go to a movie and it isn't any good well it's not the end of the world We're usually quite content just the same It passes the time Though as Samuel Beckett pointed out the time would have passed anyway But if we're disappointed at the theater everything changes dramatically We cannot while away the time at the theater Time becomes precious This is a collection of writings about the world of the theatre and includes pieces about Sir John Gielgud Sir Ralph Richardson Arthur Miller Michael Bennett Noel Coward Barbra Streisand Ralph Fiennes and more Interpreting the Play

Script Anne Fliotsos,2011-08-17 One type of analysis cannot fit every play nor does one method of interpretation suit every theatre artist or collaborative team This is the first text to combine traditional and non traditional models giving students a range of tools with which to approach different kinds of performance **The Methuen Drama Guide to Contemporary American Playwrights** Christopher Innes,Peter Paul Schnierer,Martin Middeke,Matthew C. Roudané,2013-12-19 Unrivalled in its coverage of recent work and writers The Methuen Drama Guide to Contemporary American Playwrights surveys and analyses the breadth vitality and development of theatrical work to emerge from America over the last fifty years This authoritative guide leads you through the work of 25 major contemporary American playwrights discussing more than 140 plays in detail Written by a team of 25 eminent international scholars each chapter provides a biographical introduction to the playwright s work a survey and concise analysis of the writer s most important plays a discussion of their style dramaturgical concerns and critical reception a bibliography of published plays and a select list of critical works Among the many Tony Obie and Pulitzer prize winning playwrights included are Sam Shepard Tony Kushner Suzan Lori Parks August Wilson Paula Vogel and Neil LaBute The abundance of work analysed enables fresh illuminating conclusions to be drawn about the development of contemporary American playwriting **From Aphra Behn to Fun Home** Carey Purcell,2019-12-04 Theatre has long been considered a feminine interest for which women consistently purchase the majority of tickets while the shows they are seeing typically are written and brought to the stage by men Furthermore the stories these productions tell are often about men and the complex leading roles in these shows are written for and performed by male actors Despite this imbalance the feminist voice presses to be heard and has done so with more success than ever before In *From Aphra Behn to Fun Home A Cultural History of Feminist Theatre* Carey Purcell traces the evolution of these important artists and productions over several centuries After examining the roots of feminist theatre in early Greek plays and looking at occasional works produced before the twentieth century Purcell then identifies the key players and productions that have emerged over the last several decades This book covers the heyday of the second wave feminist movement which saw the growth of female centric theatre groups and highlights the work of playwrights such as Caryl Churchill Pam Gems and Wendy Wasserstein Other prominent artists discussed here include playwrights Paula Vogel Lynn and Tony award winning directors Garry Hynes and Julie Taymor The volume also examines diversity in contemporary feminist theatre with discussions of such playwrights as Young Jean Lee and Lynn Nottage and a look toward the future Purcell explores the very nature of feminist theater does it qualify if a play is written by a woman or does it just need to feature strong female characters as well as how notable activist work for feminism has played a pivotal role in theatre An engaging survey of female artists on stage and behind the scenes *From Aphra Behn to Fun Home* will be of interest to theatregoers and anyone interested in the invaluable contributions of women in the performing arts *The Theatre of Paula Vogel* Lee Brewer Jones,2023-06-15 In this volume Lee Brewer Jones examines Paula Vogel as both a playwright and

renowned teacher analyzing texts and early reviews of Vogel's major plays including *Indecent*, *Desdemona*, *How I Learned to Drive*, and *The Baltimore Waltz* before turning attention to her influence upon other major American playwrights including Sarah Ruhl, Lynn Nottage, and Quiara Alegria Hudes. Chapters explore Vogel's plays in chronological order, consider her early influences, and offer detailed accounts of her work in performance. Enriched by an interview with Lynn Nottage and essays from scholars Ana Fernandez Caparrós and Amy Muse, this is a vibrant exploration of Paula Vogel as a major American playwright. By the time Paula Vogel made her Broadway debut with her 2017 Rebecca Taichman collaboration *Indecent*, she was already an accomplished playwright with a Pulitzer Prize for *How I Learned to Drive* (1998) and two Obie Awards. She had also enjoyed a brilliant career as a professor at Brown and Yale with students such as Sarah Ruhl, a MacArthur Genius Grant winner, Pulitzer Prize winners Nilo Cruz, Quiara Alegria Hudes, and the only woman to win two Pulitzers for Drama, Lynn Nottage. Vogel's theatre draws upon Russian Formalist Viktor Shklovsky and uses devices such as defamiliarization and negative empathy to challenge conventional definitions of protagonists and antagonists.

The Playwright's Voice David Savran, 1999. These 15 interviews illustrate the diversity of modern American theater and examine what makes it a unique art form. Savran, English Brown U, discusses the work, artistic influences, and the state of contemporary American theater and its meaning and purpose with artists including Tony Kushner, Jose Rivera, Ntozake Shange, and Anna Devereaux Smith.
