3. **What do you mean by "include materials"?**
All physical copies of your materials must be provided in the materials section of the assignment. For example if you say you will use a worksheet, your tutor needs to be able to see that.

LE means "Language 1", and this refers to somebody's first language.

Aim for the procedure to spread across approximately 3 pages, and ensure you provide enough detail for another teacher to be able to follow the plan if they needed to.
8. **Can I use activity ideas from the course/Internet?**
You can; however, you must ensure everything you write is in your own words and relevant to the lesson you're teaching.

Submitting your work: Your work will be marked within seven days of submission. Please be patient, we mark as quickly as we can.

- **If you pass:** You will receive feedback from a tutor and confirmation that you have passed the assignment. You will then be able to move onto the next unit of your course.
- **If you don't pass:** If you do not meet the criteria for any part of the assignment, your tutor will send up you with feedback. You will then need to make the required changes to your work and resubmit it through the system. It is possible to submit the assignment up to a maximum of three times if required.

Assignment Feedback

This assignment is graded by a tutor against fifteen criteria. If you do not meet one of the fifteen criteria, you will receive feedback explaining the changes you need to make. You will then need to resubmit your work through the system.

When you receive your feedback, your tutor will put a cross [x] next to the criteria you have met. Only make changes to the criteria that you have not met. If the box has an [x] in it, you will not need to make changes. Make sure you read the comments given by your tutor and not just the criteria.
