Creating Digital Literacy Spaces for Multilingual Writers Joel Bloch, 2021-01-27 This book argues for the value of digital literacy in the multilingual writing classroom Against the background of huge changes in literacy practices prompted by online communication and a growing acceptance of a broader definition of academic literacy that encompasses multimodality the book examines the relationship between digital and print literacies and addresses the design of literacy spaces for multilingual classrooms The author critically evaluates the latest developments in the use of technology in multilingual writing spaces and focuses on the role of teachers in their design it also addresses areas that are not often discussed in relation to multilingual students from blogging to publishing and intellectual property The book will help teachers meet the challenges created by rapidly shifting technology as well as making an innovative contribution to research on multilingual writing classrooms

The Death of Socrates and the Life of Philosophy Peter J. Ahrens Dorf, 1995-09-14 Shows that the dialogue in Plato's Phaedo is primarily devoted to presenting Socrates final defense of the philosophical life against the theoretical and political challenge of religion

Loving Writing Wendy M.K. Shaw, 2021-09-23 This writing

textbook bridges factual critical and expressive modes of writing to help students develop a reflective sense of why and how to write for university professional and public audiences Exploring the ways in which writing builds tools for argument both in and beyond the university it enables students to break out of the dusty and formulaic patterns of writing that too often threaten to render academic studies irrelevant In a playful personal essayistic style it examines existing academic writing methods and develops new modes of narrative based expression rooted in the humanities Reflective analysis invites emerging writers to self consciously craft convincing and impassioned writing practices using an expanded methodological toolbox It aims to imbue academic writing with the expressive potential of artistic research by transforming existing methods of articulating analysis within a broader expressive system developing skills more typical of creative writing such as providing a setting considering frame engaging emotions expansion and concision If we believe in the value of our thoughts discoveries and arguments we must enable them to sing Loving Writing can be used as a textbook for advanced or introductory college writing courses and provides innovative guidance to liberal arts students seeking to develop their writing abilities

Dystopia on Demand: Technology, Digital Culture, and the Metamodern Quest in Complex Serial Dystopias Laura Winter, 2024-01-29 Serial storytelling has the advantage of unlocking rather than simplifying the complexities of digital culture With their worldbuilding potential TV series open up new artistic horizons particularly for the dystopian genre Situated at the nexus of dystopia complex TV and a metamodern cultural logic Dystopia on Demand Technology Digital Culture and the Metamodern Quest in Complex Serial Dystopias offers readers novel insights into the dynamics of serial dystopias in the contemporary streaming landscape Introducing the term complex serial dystopias to describe series that allow audiences to engage with the dystopian premise from multiple angles the book examines four Anglo American series including Black Mirror Mr Robot Westworld and Kiss Me First The in depth analyses trace the variety of ways in which these series offer critical reflections on the human technology entanglement in digital culture The Ladies' Repository, 1858

Liberal Education and Citizenship in a Free Society Justin Buckley Dyer, Constantine Christos Vassiliou, 2023-07-24 The liberal arts university has been in decline since well before the virtualization of campus life increasingly inviting public skepticism about its viability as an institution of personal civic and professional growth New technologies that might have brought people together have instead frustrated the university's capacity to foster thoughtful citizenship among tomorrow's leaders and exacerbated socioeconomic inequalities that are poisoning America's civic culture With *Liberal Education and Citizenship in a Free Society* a collection of 19 original essays editors Justin Dyer and Constantine Vassiliou present the work of a diverse group of scholars to assess the value of a liberal arts education in the face of market technological cultural and political forces shaping higher learning today
