Making European Muslims Mark Sedgwick,2014-09-19 Making European Muslims provides an in depth examination of what it means to be a young Muslim in Europe today where the assumptions values and behavior of the family and those of the majority society do not always coincide Focusing on the religious socialization of Muslim children at home in semi private Islamic spaces such as mosques and Quran schools and in public schools the original contributions to this volume focus largely on countries in northern Europe with a special emphasis on the Nordic region primarily Denmark Case studies demonstrate the ways that family life public education and government policy intersect in the lives of young Muslims and inform their developing religious beliefs and practices Mark Sedgwick s introduction provides a framework for theorizing Muslimness in the European context arguing that Muslim children must navigate different and sometimes contradictory expectations and demands on their way to negotiating a European Muslim identity **China and the True Jesus** Melissa Wei-Tsing Inouye,2018-12-03 In 1917 the Beijing silk merchant Wei Enbo s vision of Jesus sparked a religious revival characterized by healings exorcisms tongues speaking and most provocatively a call for a return to authentic Christianity that challenged the Western missionary establishment in China This revival gave rise to the True Jesus Church China s first

major native denomination The church was one of the earliest Chinese expressions of the twentieth century charismatic and Pentecostal tradition which is now the dominant mode of twenty first century Chinese Christianity To understand the faith of millions of Chinese Christians today we must understand how this particular form of Chinese community took root and flourished even throughout the wrenching changes and dislocations of the past century The church s history links together key themes in modern Chinese social history such as longstanding cultural exchange between China and the West imperialism and globalization game changing advances in transport and communications technology and the relationship between religious movements and the state in the late Qing circa 1850 1911 Republican 1912 1949 and Communist 1950 present day eras Vivid storytelling highlights shifts and tensions within Chinese society on a human scale How did mounting foreign incursions and domestic crises pave the way for Wei Enbo a rural farmhand to become a wealthy merchant in the early 1900s Why did women in the 1920s and 30s such as an orphaned girl named Yang Zhendao devote themselves so wholeheartedly to a patriarchal religious system What kinds of pressures induced church leaders in a meeting in the 1950s to agree that Comrade Stalin had saved many more people than Jesus This book tells the striking but also familiar tale of the promise and peril attending the collective pursuit of the extraordinary how individuals within the True Jesus Church in China over the past century have sought to muster divine and human resources to transform their world What on Earth Are You

Thinking for Heaven's Sake? (eBook) Michael Cassidy,2006-09-29 WHAT ON EARTH ARE YOU THINKING FOR HEAVEN S SAKE focuses on difficult perplexing and sometimes contentious moral and ethical issues confronting the modern church today The issues of divorce same sex marriage and capital punishment can become so confusing that the church in many areas is tempted to succumb to the spirit of the age and be subdued into the world s ways of thinking and acting WHAT ON EARTH ARE YOU THINKING FOR HEAVEN S SAKE sheds new light and answers on some tough ethical issues **JAIIB**
